

Skyward Family Access for Parents & Students

Ionia Public Schools has implemented Skyward Family Access including separate login access for parents and students. Skyward Family Access is an easy way for you to keep-up-to-date with your student's grades, attendance, behavior, request contact information changes, and more.

- Check your child's grades
- Automatic email notifications for absences, missing assignments, and progress reports (parent must check box under "my account" to receive)
- Progress reports can be emailed to you daily or weekly
- View attendance (absences & tardies)
- Visit our school website www.ioniaschools.org for calendar, athletics and lunch information.
- Access entire family information with one username and password

For Parents: How to Access your Skyward Parent Account

To begin using your Skyward parent account, follow these easy steps:

5. Make sure you have your Skyward password. (printed at the bottom of this letter)
