

IMAGINE the world differently

ENGAGED

network with people from around the world

INVOLVED

exchange ideas & implement change in your school

EMPOWERED

make a difference in the world around you

JULY 7-13, 2019

The Global Citizenship Institute

Set on the campus of St. Mark's School, in beautiful Southborough Massachusetts (25 miles west of Boston), The Global Citizenship Institute provides a dynamic and interactive environment where participants develop, practice, and implement the skills necessary to mobilize their schools around becoming engaged global citizens.
