## FREDERICA ACADEMY MISSION STATEMENT

To maximize the potential of each student  
and to prepare him or her for college and adult life  
through the development of mind, body, and spirit.

## ONLINE COURSES

Online courses through Fuel Education and Johns Hopkins Center for Talented Youth (CTY) are offered for enrichment, credit recovery, and schedule conflicts. Students may enroll in an online class during the academic school year or summer. Courses taken through each program will be indicated on Frederica Academy's transcript.

## DUAL ENROLLMENT

Frederica Academy participates in the Dual Enrollment program with the College of Coastal Georgia. Juniors are permitted to enroll in one elective course each semester. Seniors are permitted to enroll in two elective courses each semester. Courses must be approved by the college's Dual Enrollment program and Frederica Academy's College Counseling Office. Students must meet the College of Coastal Georgia's minimum admission requirements to enroll in a course. Grades received in Dual Enrollment courses will count toward a student's cumulative high school GPA. Courses will be weighted 5 points for numeric average and 0.5 for GPA on Frederica Academy's transcript.

## ACADEMIC HONORS

The Head of School's List and the Honor Roll are calculated on a semester basis. The Head of School's List recognizes those students whose weighted numerical average is 90 or above in all core classes. The Honor Roll recognizes students whose weighted numerical average is an 85 or above and have no weighted grades below 80. To graduate "With Honors," an Upper School student must take four of his/her electives in academic courses and must have a minimum cumulative numeric average of 90.
