Name of Student: _____ Date: _____
Name of Parent/Guardian: _____ Date: _____

Dear Parent/Guardian and Secondary Students:

Our District receives funds from the federal government under the *Every Student Succeeds Act of 2015*. These funds are used in a variety of ways to provide additional help to students in great academic need. The law also requires that districts receiving these funds must, upon request, provide to military recruiters, colleges and universities, access to names, addresses, and telephone listings of secondary students.

It is important for you to know that a secondary school student eighteen (18) years of age or older, his/her parent or guardian may request that the student's name, address, and telephone number **not** be released by the District without prior written parental consent. **If you would like to make such a request, please complete the following and return it to your child's school.**

Parent or Guardian: Please complete this section and return the entire form to your child's school. Use a separate form for each child.

I am aware that the District must provide access to military recruiters, colleges and universities of student names, addresses, and telephone listings. I am aware that the District will provide this information upon request, unless I require that such information not be given to the following groups *without prior written parental consent*:

Military Recruiters *(please check one)*

- Do not release my secondary student's information to military recruiters until you have first obtained my *prior written parental consent* before doing so.
- I am a student eighteen years of age or older and do not want my information released to military recruiters until you have first obtained my prior written consent before doing so.

Colleges, Universities, or Institutions of Higher Learning *(please check one)*
