

Spring Branch Independent School District
Bunker Hill Elementary School
2018-2019 Campus Improvement Plan

Mission Statement

At Bunker Hill Elementary:

- We believe all students have the desire and ability to succeed.
- We believe our students are unique, resilient, and valuable with different strengths and needs.
- We believe students need a safe, positive, and supportive environment to grow.
- We believe our faculty and staff are dedicated, innovative, reflective, flexible, intentional, and passionate.
- We believe in supporting the whole child by being genuine, life-long learners who create an environment of high expectations to help students achieve.
- We believe our Bunker Hill Elementary family is built on trust, common values, mutual respect, support, and teamwork with a strong desire to make a difference.

Vision

- We believe Bunker Hill Elementary students will continue the learners journey as critical thinkers and problem solvers through resilience and perseverance.
- We believe students will leave Bunker Hill Elementary knowing how to value the differences in others.
- We believe our Bunker Hill Elementary students will continue to be responsible citizens who value and serve their community.

Value Statement

Every Child

We put students at the heart of everything we do.

- Every child. Every day. Every minute. Every way.
- What's Best for the Child Drives the Decision

- Infinite Possibilities Through Education

Collective Greatness

We, as a community, leverage our individual strengths to reach challenging goals.

- Surpass Expectations
- Everyone's Work Matters
- Diversity Makes Us Stronger

Collaborative Spirit

We believe in each other and find joy in our work.

- Each of Us is Committed to All of Us
- Together We're Better
- Assume the Best

Limitless Curiosity

We never stop learning and growing.

- Empowered to Innovate
- Tenaciously Embrace Challenges
- Unleashed Potential

Moral Compass

We are guided by strong character, ethics and integrity.

- Personal Responsibility

-
-

Kindness and Mutual Respect
Trustworthiness

Comprehensive Needs Assessment

Demographics

Demographics Summary

BHE has approximately 643 students.

Our demographics are as follows:

Subgroups	Number out of 643	Percentage
African American	7	1%
Hispanic	105	16%
White	349	54%
Asian	147	22%
Multi-Race	35	5%
ESL	149	23%
At-Risk	239	37%
GT	142	22%
SPED	49	7%
EE	2	less than 1%
FRL	70	10%

Student Achievement

Student Achievement Summary

We are awaiting Spring 2018 STAAR results.

We have received results for Round One 5th Grade Math and Reading:

Math	1 st admin 2017 95% passed	1 st admin 2018 97% passed
------	--	--

Reading	6 retesters out of 118 testers 91% passed	3 Retesters out of 118 testers 94% passed
---------	---	---

	11 retesters out of 119 testers	8 Retesters out of 125 testers
--	------------------------------------	-----------------------------------

Student Achievement Strengths

We are awaiting EOY MAP data results.

Our focus on making sure every student shows at least one year's growth on MAP to ensure students meet their targets will remain a top priority. Next year, we will have cumulative data to compare student by student. Our teachers will also begin the 2018-2019 school year with a higher level of comfortability in pulling and reading MAP reports.

We will continue our PLC work focusing on using data to inform our instructional decisions. We piloted Mastery Connect in 2nd and 4th grade and found it's use of data to create flexible groups and student groups based on need invaluable. We hope to roll out Mastery Connect campus wide. We will also

continue to use adaptive software such as Dream Box in all grade levels to continually measure growth in order to adjust our instruction as needed. Teachers will continue to work on understanding how to analyze their student data and will develop goals with their students to show growth.

We will focus on closing gaps by increasing our Level III post secondary readiness scores.

School Culture and Climate

School Culture and Climate Summary

We are awaiting Panorama EOY results.

School Culture and Climate Strengths

Our learning community is committed to developing a school culture that supports and cultivates a student-centered learning environment by supporting administration and teachers in their professional growth.

The school sets high standards for all students and families. Parents are equal partners with the teachers in helping each student succeed.

The BHE PTA is very involved with administration and teachers in aiding to provide many opportunities for parents, students, and families to be involved in the BHE community.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

BHE tends to remain stable in staffing with low turnover. We will have a few new staff members join the BHE faculty and staff for the 2018-2019 school year: assistant principal, administrative assistant, AIM teacher, AIM paraprofessional, SPED Resource teacher, SPED paraprofessional, and a health fitness paraprofessional.

Through PTA, Administrative Team, and our SEL (Sunshine committee), we continue to explore ways to motivate and appreciate faculty and staff.

Staff Quality, Recruitment, and Retention Strengths

There are many opportunities for leadership at BHE. Teacher leadership roles include the MCL (Multi-Classroom Leader), grade level Team Leaders, and our Lead Mentor teacher. We are expanding our MCL role from half-time teaching/half-time coaching to a full-time instructional coaching position working primarily with 2nd and 4th grade. We have self-selected two teachers to join our three teachers already serving as ItsLearning Trail Guides which will give us a team of five Trail Guides. Our self-initiated cohort for Teachers College Reading and Writing Project (TCRWP) will continue to lead the work in the areas of reading and writing Units of Study in all grades. We had one member of the leadership team retire and have self-selected two new members to join the remaining leader for our TCRWP cohort.

Many staff members have 10+ years at BHE and quite a few have left BHE to raise children and then returned to BHE to continue their teaching career.

Our SEL (Sunshine committee) and our PTA provide strategic and periodic opportunities and experiences for staff to maintain high morale and campus engagement.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

BHE's reading and writing curriculum reflect a Balanced Literacy approach. Most of our teachers have been trained in Lucy Calkins' Units of Study in Reading and Writing at the Teachers College Reading and Writing Project (TCRWP) at Columbia University in New York. Many also attended SBISD's very own homegrown week of TCRWP Reading Units of Study during the summer of 2018. We continue to develop and provide model classrooms for the other 12 campuses in SBISD who have joined us in using this approach to teach reading and writing through a workshop approach. This 2018-2019 school year we will focus on Lucy Calkins' new Units of Study in Phonics with a book study in Kindergarten and First grade. We will pilot this new approach during the 2019-2020 school year.

The Priority Standards and TEKS are the driving force behind our math curriculum and workshop approach. We use Math in Focus and Dream Box for math. This 2018-2019 school year we are piloting *Bridges in Mathematics* curriculum with our 2nd grade math team.

The Priority Standards and TEKS are also the driving force behind our science curriculum. We use StemScopes and Discovery Education for Science.

The Priority Standards and TEKS are also the driving force behind our social studies curriculum. We use our newly adopted interactive textbook and supplement with Social Studies Weekly.

Students are assessed formally throughout the year. We will continue MAP testing in all grade levels three times per year (fall, winter, late spring) to assess the student's individual Cumulative Growth Index (CGI). Our goal is for every student to grow one year from fall to spring. We also assess student academic progress using STAAR in grades 3 through 5 and TELPAS in all grades K through 5 for all identified ESL students.

Curriculum, Instruction, and Assessment Strengths

Our goal is to use our PLC (Professional Learning Community) weekly planning time constructively to utilize on-going assessments and assorted data points to support personalized learning in order to support significant gains in improving overall achievement and overall progress in all 4 indexes.

Parent and Community Engagement

Parent and Community Engagement Summary

BHE has an active PTA. They are a strong, committed group will to provide our learning community any support as needed. Our PTA continues to assess our most successful programs to support through their fund-raising efforts. The principal and the PTA president meet regularly. The principal and the PTA executive board meet on a monthly basis as does the PTA. They make decisions on which activities and special events will be hosted here at BHE and how they will be funded.

We have an active CIT (Campus Improvement Team) that meets monthly to discuss campus needs. Our CIT helps us monitor and analyze the effectiveness of our CIP (Campus Improvement Team). They also review our programs such as TCRWP and OC-TX.

We host a Principal Coffee on the first day of school and each grade level hosts a luncheon within the first two weeks of school. We also host three back to school nights on the third week of school. Throughout the school year, our music teacher coordinates and puts on grade level musicals for parents and the community in 1st through 5th grades. We have a Fall and Spring Book Fair, International Day, Colonial Day, Wax Museum, Spring Fling, and Go Texan Day to name a few opportunities for parents to become involved whether through volunteering or as a spectator.

Parent and Community Engagement Strengths

Events are well attended.

Parents have many opportunities to be involved at BHE.

Parents are welcomed and encouraged to volunteer in classrooms, the library, the copy room, the main office, and on campus.

Communication with our parents/community is available in a variety of formats (grade level newsletters, BHE website, BHE PTA website, weekly PTA e-blasts, call-outs, etc).

School Context and Organization

School Context and Organization Summary

Bunker Hill Elementary has 32 classroom teachers, 1 Associate Teacher, 1 AIM special education program with 1 teacher and 2 paraprofessionals, 2 Inclusion/Resource teachers, 6 interventionists (Language Arts K-2, Language Arts 3-5, Math, ESL, Dyslexia, and Special Programs), 1 MCL (multi-classroom leader), 1 librarian, and 1 counselor. Each grade level has a common planning time as do our Specialists. Our teams meet weekly on Tuesdays and Wednesdays in PLC's focusing on instructional planning, vertical/horizontal alignment, staff development, and data analysis. We have four meetings monthly: a faculty meeting during week one, ILT on week two and four, and some sort of professional development or training scheduled during week three.

Technology

Technology Summary

All classrooms have Active Boards. All have technology carts with Chromebooks and/or Ipads.

All teachers have completed the Classroom Refresh ItsLearning Course for our outdated technology to be replaced/refreshed.

Teachers are actively learning and incorporating ItsLearning into planning and/or instructional practices.

As we move into a new campus website, teachers will create an ePortfolio page in ItsLearning and update it on a regular basis.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- System Safeguards and Texas Accountability Intervention System (TAIS) data

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group

Student Data: Behavior and Other Indicators

- Attendance data

Employee Data

- Professional learning communities (PLC) data
- Professional development needs assessment data
- T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

Goals

Goal 1: In order to achieve T-2-4, students will consistently meet appropriately ambitious academic growth targets.

Performance Objective 1: By June 2019, at least 80% of Kindergarten through 5th Grade students will meet or exceed growth expectations on MAP.

Evaluation Data Source(s) 1: MAP

Summative Evaluation 1:

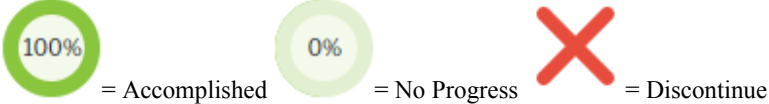

Strategy Description	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
			Nov	Jan	Mar
1) TCRWP: Kindergarten and First Grade will implement Language Enrichment daily during instruction to build phonemic awareness. K and 1 will begin a book study of TCRWP Units of Study in Phonics. Grades K-5 will establish strong workshop strategies through Units of Study in Reading and Writing.	District/Campus Personnel Interventionists ELA Director Teachers	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction. Monthly meetings with interventionists to debrief classroom observations and coaching sessions.			
	Funding Sources: 199 PIC 99 - Undistributed - 1333.00				
2) Small Group Instruction: PRIDE time has been set aside in the master schedule for workshop and other small group time. One hour daily will be given to minimize classroom disruption and provide consistency.	Administration Teachers	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction. Lesson plans should reflect small group instruction. Open communication with interventionists to discuss student progress.			
	Funding Sources: 199 PIC 99 - Undistributed - 4000.00				
3) Math Instruction - Workshop approach: We will continue using Math in Focus and Dream Box for math. Provide PD as needed. We are piloting Bridges in Mathematics curriculum with our 2nd grade math team.	Administration Math Interventionist Teachers	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction.			
	Funding Sources: 199 PIC 11 - Instructional Services - 5000.00				
4) MAP Testing: Administer MAP reading and math in Grades K-5 three times a year to measure growth. Review data a minimum of three times per year (after assessment) to create action plans based on the data.	District/Campus Personnel Administration Interventionists MCL Teachers	Open communication with interventionists to discuss student progress. Data conferences will be used to inform instruction and flexible grouping for small group intervention. Improvements in instructional practice will indicate increased academic performance on MAP, STAAR, and TELPAS.			
	<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>= Accomplished</p> </div> <div style="text-align: center;">  <p>= No Progress</p> </div> <div style="text-align: center;">  <p>= Discontinue</p> </div> </div>				

Goal 2: In order to achieve T-2-4, students will feel connected to their school community as both an individual and a learner.

Performance Objective 1: By June 2019, at least 78% of 3-5 graders will respond favorably on achieving academic outcomes the Panorama survey.

Evaluation Data Source(s) 1: Panorama Survey

Summative Evaluation 1:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
			Nov	Jan	Mar
1) Build/Include a comprehensive counseling program. Counselor will provide monthly classroom lessons and targeted small groups in order to meet social/emotional needs of students. Provide targeted social and emotional instruction based on areas of need.	Counselor System of Care Administration Teachers	Community Circles Review Panorama Survey, target areas of need, introduce strategies for teachers to use throughout the year.			
Funding Sources: 199 PIC 99 - Undistributed - 2000.00					
2) Use BHE TV and Community Circles as a way to bring the school together on topics including: social and emotional issues, and character building (respect, empathy, compassion for others, etc.).	Librarian Interventionist Counselor Teachers Administration System of Care	Increase awareness of culture and environment at BHE for students.			
3) Hold school-wide events including but not limited to BHE School-Wide Reading and Writing Days, Poetry (Poem in Your Pocket) Day, and International Day.	PTA Teachers Administration	Increase connectedness of students at BHE. Increase sense of community among all stakeholders.			
Funding Sources: 199 PIC 11 - Instructional Services - 1300.00					
					

Goal 3: In order to achieve, T-2-4, students will demonstrate college-ready academic performance.

Performance Objective 1: By June 2019, BHE will increase the number of students reaching post-secondary readiness (performing at Masters) by at least 6% on Math and Reading STAAR in grades 3-5 and/or on MAP (66-77th percentile reading, 70-84th percentile math in 3rd, 4th, and 5th grades).

Evaluation Data Source(s) 1: STAAR data

Summative Evaluation 1:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
			Nov	Jan	Mar
1) PLC Journey: Teachers will participate in collaborative planning on Tuesdays and Wednesdays of each week. PLC's will focus their work and learning on the following strategies: developing and adhering to collective commitments, purposeful planning that is TEKS-aligned, and data review. Teams will outline common assessment protocol and expectations using data and TEKS. Teachers will explore competency-based progression and other tenants of personalized learning.	Teachers Interventionists MCL Administration	Increased academic performance on STAAR, TELPAS, and MAP. Monthly meetings with interventionists to debrief classroom observations and coaching sessions.			
2) OC-TX: Increase the role of the MCL from 1.05 to 1.15. The MCL will work with 2nd grade and 4th grade with a focus on TCRWP Reading and Writing Units for Study. The MCL will assist with the 4th grade team's participation in the TEA Grade 4 Writing Pilot.	MCL Teachers Administration ELA Director	Monthly meetings with MCL to debrief classroom observations, coaching sessions, TEA pilot. Increase academic performance on STAAR, TELPAS, and MAP.			
Funding Sources: 199 PIC 11 - Instructional Services - 500.00					
3) Math Instruction - Workshop approach: We will continue using Math in Focus and Dream Box for math. Provide PD as needed. We are piloting Bridges in Mathematics curriculum with our 2nd grade math team.	Administration Math Interventionist Teachers	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction. Increase academic performance on STAAR, TELPAS, and MAP.			
Funding Sources: 199 PIC 11 - Instructional Services - 5000.00					
4) Support ELL learners by learning and implementing strategies and using the ELPS descriptors and PLD's to plan targeted small group instruction.	Interventionist Teachers Administration	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction. Increase academic performance on STAAR, TELPAS, and MAP.			
Funding Sources: 199 PIC 99 - Undistributed - 625.00					
5) TCRWP: Kindergarten and First Grade will implement Language Enrichment daily during instruction to build phonemic awareness. K and 1 will begin a book study of TCRWP Units of Study in Phonics. Grades K-5 will establish strong workshop strategies through Units of Study in Reading and Writing.	District/Campus Personnel Interventionists ELA Director Teachers	Weekly planning in PLC teams. Walk throughs will document the implementation of workshop and small group instruction. Monthly meetings with interventionists to debrief classroom observations and coaching sessions.			
Funding Sources: 199 PIC 99 - Undistributed - 1333.00					

= Accomplished

= No Progress

= Discontinue

Goal 4: In order to achieve T-2-4, students will receive equitable opportunities resulting in the closing of existing achievement gaps.

Performance Objective 1: By June 2019, BHE will close existing achievement gaps by at least 5% between SPED and non-SPED and by at least 10% in ELL and non-ELL while all performance improves.

Evaluation Data Source(s) 1: STAAR and TELPAS data.

Summative Evaluation 1:
