16. Discussion

Discussion: 16.01 Ongoing discussion of Board Goals (proposed 8:40 duration 15 min)

9:45

There was Board consensus to accept their 2010-2011 Goals as follows:

1) Superintendent

Hire a full-time Superintendent. Supply the new Superintendent with an entry-level plan.

Ensure that the new Superintendent is part of the discussion and supportive of conclusions for possible new District Configuration, and is supportive of these Board Goals.

2) Educational Excellence

Promote a stimulating, healthy and safe environment conducive to learning which improves the educational experience for all students.

Encourage the expansion of technology into the educational environment to enhance instructional effectiveness and improve communication and efficiency.

Increase graduation rate 1% point per year in alignment with Strategic Plan - Task Force #1.

3) District Configuration

Clearly outline an educational vision for the immediate and long-term future of the District, which supports the District's educational objectives.

Appoint a Community Task Force, to examine different options for Middle School configuration and bring back its findings to the Board.

Promote a district configuration which best supports District education policy for all students across the District, and which takes into account local community support for local community elementary schools.

4) Community & Culture

Create an educational environment emphasizing the unique character of Ontario, with a widespread emphasis on the arts and environmental studies.

Continue to reach out to the community at large (including but not limited to Town Boards, civil organizations, charities, arts groups, senior groups etc.) in order to raise interest in and support for public education.

Foster a climate of co-operation and integration for all district professionals, in order to promote a positive educational experience for all students.

Explore "community schools" blueprint by which local schools are used for multiple resources (e.g. health centers, adult education, day care, pre-K, performance space, youth clubs)

Commit to the reduction of bullying of all forms,

Consider means by which to improve racial diversity amongst faculty

Promote health and wellness across school district through focus on healthy school foods, school gardens, in-classroom education and appropriate physical education and recess.

Verify and review exit interviews with parents (who are willing to be interviewed) of students leaving district for private or home education and make appropriate recommendations, so as to retain such students in future and attract new students from private and home schooling communities.

Work with local Town Councils and organizations to promote safety and wellness of students both in and out of school.

Explore full week Winter Break for students

5) Budget & Finance

Given seriousness of financial climate and decline in school funding, include leaders of bargaining units in budget discussions.

Utilize planning and practices that protect and maximize the fiscal assets of the district, while planning for the future reduction of operating and maintenance costs.

Incorporate energy efficiency into the Operation & Maintenance of the school district buildings as both short and long-term cost saving measures.

Actively seek use for West Hurley campus.

Review and maintain the facilities, grounds and services of the district, incorporating environmental sustainable practices .

Support and actively campaign for changes in State Funding for School Districts that reduce the tax burden on local homeowners, while not reducing actual funding for schools. These may include but will not be limited to the Position Statements held by New York School Boards Association, Ulster County School Board Association and more.

As per District's Sustainability Policy, employ local work forces, wherever possible.

6) Board Development

Attract and retain BOE Trustees, with a focus on Student Achievement and Educational Excellence

Support constant learning of BOE members (conferences, webinars, etc.)

Engage in BOE retreats as necessary.

Trustees to attend classes across District for greater understanding of education in classroom

Board to request participation in professional development activities to further develop knowledge and understanding of finance, insurance and transportation issues.
