**Kaysville Jr. High**

**Tuesday, February 14, 2017**

Attending: Nicole Carver, Gina Carling, Rebecca Pond, Curtis Stromberg, Colleen Pierce, Terrie Tenney,  
Lacy Turner, Jeannie Groberg and Community Member: Astrid Kramer

Welcome by Rebecca Pond, minutes read

1. School Improvement Plan – Mr. Stromberg outlined goals for the coming Year for School Improvement Plan and explained what responsibilities belong to Community Council and what belongs to faculty members in implementing goals. Next month we will review the goals and how they will be measured and executed. Mr. Stromberg will prepare the SIP for final approval. Schools will be writing goals under the direction of the district, but this year, school will select their own goals. He mentioned that 7 & 8 grade science curriculum will not be included in the goals because of curriculum changes. When the amount for trustlands distribution becomes available Community Council will discuss and approve those expenditure.
2. Digital Citizenship Newsletter for February will be tobacco prevention on the parent page. This is a notice from the Davis County Health Department.
3. Other items included Nebo Schools visiting Math Classes. Mrs. Pierce felt it was a positive experience to share with another school.
4. Future Agenda Items include Community Council parent elections and continued work on school Goals for next year.
