This is an Advanced Placement class and students are held to high expectations. This class is intended for students taking a demanding academic schedule with **TWO OR MORE A.P. C.E. or Online** classes. This is not a place to sleep, socialize, text, check Social Media, etc. **This is a working class**, you may silent read, or use library resources if you have no school work that day.

YOU MUST BE SELF-MOTIVATED, ON TIME AND ON TASK EVERY DAY.

Advantages of the Class:

1. You will have the full class period to work on whatever homework is most important to you. As long as you are working, you get to establish your own schedule.
2. You will have access to a computer for school assignments & research
3. You will get graded high school credit for this class.
4. You will have the ability to leave the library to seek help from your CE/AP teacher if needed
5. Mrs. Johns, the teacher librarian, is here to offer academic and research support as needed

Class Requirements:

1. You must be enrolled in at least two A.P. and/or C.E. or online classes.
2. You will earn daily points for participation.
3. **You must maintain a Good (or Higher) citizenship status to stay in the class (see citizenship rubric on back).**
4. You must bring work with you and stay on task the entire period.
5. You may be left unattended in the library at times and you will need the ability to supervise yourself to stay on task and follow behavior expectations.

***These requirements will be in effect even after A.P. and C.E. testing is completed.**

Grading:

1. Your academic grade will be based off a daily learning goal and a daily self-reflection posted in Canvas
2. Your citizenship grade will be based upon the attached citizenship rubric. Students whose citizenship drops to an N or U at midterm or term end will be removed from this course.

I have read and agree to follow the A.P. Research Disclosure. I understand that if I do not maintain the required citizenship grade [ie. consistently absent, late, unprepared, or off task], I will be removed from this class and put into a T/A or home release instead. Please review the Citizenship & Learning rubric on back & then sign below.
