Luke Rasmussen: This is his last year at Northridge. He will be moving to Ogden High School next year.

School Improvement Plan 2016-17:

1. Student Achievement Goal: Increase the school average in 10<sup>th</sup> grade Sage writing. (Split the difference between the district average and the school average from last year, and meet the district average on the sub score).
2. College and Career Readiness Goal: We have achieved a 91% graduation rate. We will work on increasing the graduation rate in the sub-groups.
3. Quality Staffing Goal: We will have the same goal as last year – Check For Understanding. This addresses how teachers know students are learning, and what steps we will take when students are not learning.
4. We have added a fourth goal that will cover the ACT as a whole spectrum. This will allow us to fund projects and equipment in the areas of Math, English and Science.

After we have met with the District for the Learning First Planning Day, the School Improvement Plan will be finalized and Community Council members will need to approve it by signing it electronically.

We will have the final Plan and numbers for the Trust Land budget at our next meeting.

Next Meeting: May 4, 2016
