

Northridge High School  
Community Council Meeting  
October 7, 2015

**Roll Call:** Tom Hutchinson, Kristen Davidson, Cory Jenkins, Allen Miller, Dave Seiter, Debbie Rios, Landa Lawrence, Stacey Howell, Julie Jordan, Trudy Keyes, Cynthia Smith, Ati So'o, Stephanie Mouritson, Steve Poll, and Julie McQueen

**Welcome:** New Co-Chairpersons: Julie McQueen and Ati So'o

**Notable Achievements in the last six years:**

- Graduation Rate
- Fall Sports – Girl's Tennis won Regional Title
- Play – Musical Xanadu will be performed in Nov
- Speakers for the football field will be replaced

**Goals:**

- Literacy: to be included in every teacher's curriculum
- College/Career/Community Readiness: increase enrollment in AP, CE, and World Language courses, and increase our graduation rate
- Quality staffing: focus on staff development, late start trainings

**Demographic of council members:** Layton, Clinton, Hill Air Force Base and South Weber represented.

Packet with chart on funding breakdown & how funds were spent, and information on spending guidelines for Trust Land money was not given to all members. It will be passed out at the next meeting.

**Teacher Grant Presentations:**

- Allen Miller – Presented information on updating the projectors and TVs in classrooms. He requested **\$13K for 5 Projectors and 5 TVs** from Trust Land money. Debbie Rios and Kristen Davidson motioned for a vote. All were in favor and one opposed (Corey Jenkins). Motion Approved
- Steven Poll – opened a discussion on teaching tools (Mastery Connect and Smart Exchange). The discussion was tabled until next meeting due to more information needed to present to the council.

**Upcoming Events**

- Stacey Howell                      Field trip on Nov 7 to the University of Utah (cost \$5)  
Halloween Dance Day – Chemistry Club will have events at the University of Utah Stadium
- Kristen Davidson                Nov 4 – Weber State Field Trip  
Nov 9 – STEM Conference at the Davis Conference Center  
Nov 12 – Northridge HS all school Career Conference, see Mrs. Anderson for information  
Applied for a STEM Grant for Biotech worth \$65K
- Tom Hutchinson                 Applied for a NCAA Grant for NCAA night worth \$5K  
Multi-Cultural Club Youth Leadership Conference in Sandy on Oct 13

**Other Business:**

- Question concerning the new sound system for the football stadium if the system could be shared by all sports. Steven Poll stated that it was a permanent system for the field.
- The DSD Bond presentation was briefly discussed about the ways to find out more about it through the DSD website.
- Layton City RAMP (Recreation, Arts, Museums, and Parks) tax initiative was mentioned. Go to city website for information.
- Question was asked about helping students with math. Math help is available during tutorial or after school.
