

SUCCESS FOR EACH CHILD & ELIMINATE THE OPPORTUNITY GAP BY LEADING WITH RACIAL EQUITY

LEARNING, TEACHING & FAMILY SUPPORT SERVICES

We offer direct services, comprehensive education, health, nutrition and family support for children prenatal to age five and K-12 students. PSESD is also committed to creating opportunities for students to succeed after high school through college or career programs. Through support and management of educational programs and partnerships that provide each and every student with equitable access to educational opportunities, we believe that the development of our work contributes to creating strong educational systems and learning opportunities for children and students of all ages throughout the Puget Sound region. PSESD is committed to improving the achievement of all students in a safe and supportive learning environment in such a way that it ensures success for each child, eliminates the opportunity gap and helps eliminate racial inequities that impact student achievement.

EQUITY IN EDUCATION SERVICES

In service of reaching our goals, the agency has chosen to “Lead with Racial Equity” in order to eliminate racial inequities that impact student achievement and implement strategies that result in racially equitable outcomes. The PSESD has developed the Equity in Education department to work collaboratively with our regional partners to provide each and every student with equitable access to educational opportunities by enhancing and supporting racially equitable and culturally responsive approaches among staff, students, parents and communities. Education in Equity services include:

- Leadership Coaching for Equity
- Professional Development for Equity
- Equity Advisory Committee Development
- Data Coaching for Equity
- Racial Equity Tool Implementation

ADMINISTRATIVE AND MANAGEMENT SERVICES

PSESD works in partnership with school districts to provide strategic leadership in managing services at the school district administrative level in support of ensuring success for each child, eliminating the opportunity gap, and helping eliminate racial inequities that impact student achievement. We offer cost-saving insurance pools and create interagency cooperatives to support all aspects of school administrative, business and communications functions. These functions are available to public, private and charter schools. PSESD Administrative and Management services include:

- Fingerprinting
- Communications and Public Relations
- Conference Center
- Construction Services Group
- Fiscal and State Reporting Services
- Government Relations
- Human Resources & Organizational Development
- Puget Sound Workers' Compensation Trust
- Unemployment Pool Cooperative
- Regional Committee on School District Organization
