

## Third-Party Comments

This is a required notice of opportunity and procedure to file complaints with the Commission on Dental Accreditation. The Commission will review complaints that relate only to the program's compliance with the accreditation standards. The Commission is interested in the sustained quality and continued improvement of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion, or dismissal of faculty, staff, or students.

There is a deadline of sixty (60) days for receipt of third-party comments in the Commission office. The comments must be signed; however the signatures will be removed from comments prior to forwarding them to the program. For a copy of the appropriate accreditation standards or for those individuals who are interested in submitting comments, requests may be made to the Commission at 211 East Chicago Avenue, Chicago, IL 60611, or by calling (800)-621-8099 extension 4653.

Sincerely,

Michelle Racette CDA, RDH, BA
