Students are expected to follow the general rules, regulations, and policies of the school. The purpose of these rules, regulations, and policies is to protect the rights of all students and allow students to prepare for their chosen profession in a positive educational environment. Failure to follow established rules, regulations, and/or policies will result in disciplinary measures and/or dismissal from the program.

AFFIRMATIVE ACTION STATEMENT

Northern Berkshire Vocational Regional School District and McCann Technical School maintains and promotes a policy of non-discrimination on the basis of race, color, creed, religion, national origin, gender, age, disability, sexual orientation, gender identity, genetic information, marital status, and veteran status.

CODE OF ETHICS

As a student of the dental assisting program, I will apply the following Code of Ethics to my actions and behaviors when interacting with patients, clinical staff, and faculty during my education. This code will apply to my personal and professional performance, attitudes, and conduct.

As a professional, I will:

1. assume a professional manner in attire and conduct.
2. establish a positive rapport with my fellow colleagues, both in school and in the clinical agencies.
3. maintain the confidentiality of patient information .
4. strive to promote self-efficiency and quality through organization and active participation.
5. be willing to accept responsibility for and constructive criticism related to performance of all tasks involved in the educational process.
6. strive to incorporate the theories/standards of practice/guidelines of the profession into my professional practice.
7. demonstrate kindness and empathy to my patients.
8. maintain the highest degree of honesty and integrity.
9. develop adaptability in action and attitude.
10. demonstrate teamwork skills in the classroom and clinical settings.
11. be willing to share my knowledge to improve my profession and my community.

Violation of the Code of Ethics will result in disciplinary action.

ACADEMIC REQUIREMENTS

The dental assisting program requires successful completion of the courses listed under the program description. Courses are offered in a prescribed sequence so that all prerequisite requirements can be fulfilled before entering the next term. These prerequisites are specified in each course syllabus. A minimum grade of “C-/76” is required in ALL curriculum courses to be eligible for graduation. A grade below “C-/76 will not enable the student to continue in the program. Students may choose to apply for re-admission into the following year’s class, provided that all requirements of the readmission policy have been met.

Grading scales are published in the student handbook. A grade of INCOMPLETE in any course will automatically be converted to an “F” if work is not completed within the time frame established in the “make-up” contract. Make-up contracts are assigned at the discretion of the program coordinator.

GRADING SYSTEM/REPORT CARDS

The Health Programs marking system is as follows:

A	98-100	B-	84-86	F (Fail)	0-75
A-	94-97	C+	81-83	W (Withdraw)	
B+	90-93	C	78-80	I (Incomplete)	
B	87-89	C-	76-77		

Grades are issued to students at the end of each semester. Mid-semester conferences with the program coordinator are scheduled to assist the student in identifying issues related to the learning process. The program coordinator is available on an as needed basis for conferencing with students. The clinical grading system is detailed in the course syllabus.

PROBATION POLICY

All courses require a passing grade of 76. The program coordinator will counsel each student having difficulty maintaining academic progress. If after this meeting academic progress is still not adequate a formal written schedule of remediation will be developed by the coordinator. A written progress report will be given to the student by the program coordinator as required.

GRADUATION

Graduation is scheduled early in June. The ceremony includes cosmetologists, medical assistants, dental assistants, and surgical technologists. A certificate of completion is awarded. Students are eligible to purchase a school pin with their program designation on it. The cost of the pin is an additional expense and will be determined during the spring semester. Students who have not completed all program requirements but are considered students in good standing will be permitted to participate in the graduation ceremony. All financial, time, and other obligations to the school, class, or clinical agencies must be discharged prior to the awarding of the certificate.

DANB CERTIFICATION EXAMINATION ELIGIBILITY

Graduates of the dental assisting program are eligible to take the Certified Dental Assistant (CDA) examination as administered by the Dental Assisting National Board, Inc.

POLICY ON ACADEMIC HONESTY

All students are required to maintain academic honesty in all aspects of the educational process. Academic dishonesty includes, but is not limited to, falsification of information, cheating on tests, assignments, plagiarism, and collusion. All forms of dishonesty will result in disciplinary action. Falsification of information includes; student admission forms, student health forms, and student clinical records. Cheating includes; copying from another student's test paper, using materials during a test/demonstration not authorized by the instructional staff, knowingly obtaining, using, buying, selling, transporting, or soliciting in whole or part the contents of an un-administered or administered test material, bribing any other person to obtain test materials or information, and falsifying test results. Plagiarism is defined as the appropriation of any other person's work and the unacknowledged incorporation of that work in one's own work offered for credit. Collusion is defined as the unauthorized collaboration with any other person in preparing work offered for credit. This does not include assisting fellow students in team-based projects.

CLASSROOM POLICIES

All written assignments submitted for grading and tests, quizzes, and examinations are to be written in ink. All makeup work, including homework, quizzes, and exams must be made up within one week. Extenuating circumstances preventing this make up may be approved by the program coordinator. Students are responsible for maintenance of a neat and orderly classroom. ONLY emergency phone calls will be accepted in the office and forwarded to the student. Attendance is taken for each class. Classroom resources (books, reference materials, learning tools, etc.) are NOT to be removed from the classroom without the instructor's permission. Cell phone use is prohibited during class. All phones must be completely turned off, not just turned to the vibrate mode. If the fire alarm sounds, take valuables with you and file to the nearest exit, closing the doors behind the last person out. Meet in the postsecondary parking lot for attendance. Each classroom has a posted fire exit route. Students are responsible for orienting themselves to the location of the nearest exit and fire extinguishers on the first day of school.

ATTENDANCE POLICY

Students are expected to be present for all classes. If you are absent you must call the instructor at (413-663-5383 ext.182) between 7:45AM and 8:15AM. The student is responsible for any lecture notes, quizzes, tests and examinations as a result of the absence. Students who are late during the administration of an exam will NOT be given extra time to complete the exam. During the clinical externship the student is responsible for contacting both the school and the externship office at least 15 minutes prior to the start of the day. Students who are absent from class in order to observe religious holidays are responsible for the content of any activities missed and for the completion of assignments occurring during the period of absence. All unexcused absence time accrued exceeding five (5) days will be made up at the end of the school year prior to awarding of the certificate. Make up time is scheduled at the discretion of the program/practicum coordinator and the clinical agency. Dental, medical or other personal appointments should not be scheduled during school hours.

EXTRACURRICULAR EMPLOYMENT

All employment **MUST NOT** interfere with assigned class/clinical schedules. Outside work **MUST NOT** compromise course work

CPR

During the year, outside providers will be brought in to teach CPR Certification. There is an additional nominal fee for this certification. Current CPR certification is required prior to entry into patient-contact clinical externships.

HEALTH/HOSPITALIZATION INSURANCE

All students are required to carry private health/hospitalization insurance for the duration of the educational experience. Students who do not have private insurance will be required to purchase coverage through a school policy at an additional cost. Documentation of the policy and number will be provided to the program coordinator prior to entry into the clinical setting. Information shall be kept current for the duration of the educational experience. Failure to do so will result in the student not being permitted to attend clinical externships. If care is needed because of injury during clinical externships, fees for services will be the responsibility of the student and their respective insurance carrier. Students are provided liability insurance coverage through the school **ONLY** while engaged in a school-approved and sponsored activity. Students are **NOT** covered during private transportation to or from clinical agencies.

LIABILITY INSURANCE

Students are provided liability insurance coverage through the school **ONLY** while engaged in a school-approved and sponsored activity. Students are **NOT** covered during private transportation to or from clinical agencies.

STUDENT EXTERNSHIP/PRACTICUM PROGRAM POLICY

Dental assisting students begin the supervised externship/practicum experience in early March. Students must complete 350 hours in the externship before graduation. Clinical externship hours may start earlier and extend beyond the regular school day hours. Students are expected to adhere to these changes in the school schedule. Externships are educational experiences and not cooperative work experiences. Because of this, no remuneration is given to students for regular assignments. Students are not used in substitution for paid personnel. Students will be informally and formally evaluated by the instructor and clinical preceptors in the clinical agency in accordance with the outcomes measurement detailed in the course syllabi.

CLINICAL AFFILIATE'S RIGHTS IN STUDENTS PRESENCE IN THE CLINICAL AGENCY

In compliance with the written affiliation agreement between McCann Technical School and affiliating clinical sites, be advised that the clinical site reserves the privilege of recommending withdrawal of any student found to be lacking in ability to develop qualities essential for the performance of patient-focused care, unsatisfactory performance, failure to maintain a patient-safe environment, violation of agency policies, or other misconduct. A student dismissed from a clinical agency for the above reasons will not be allowed to return to the clinical agency and will be referred to the program coordinator for disciplinary action.

CONFIDENTIALITY

Patients have a right to privacy. They have a right to expect that details of their condition, treatment, medical history, diagnosis and prognosis, personal and financial affairs will be kept in confidence by students whose duties require that such information be revealed to them. It is not for a student to decide what information a patient would object to having disclosed. Students who breach this duty of confidentiality by disclosing patient information other than as necessary to perform their tasks or within the confined educational setting will be subject to disciplinary action.

HIPAA

McCann Technical School may use protected health information in its possession without specific authorization from the student for treatment, quality assessment, medical review and auditing, compiling civil/criminal proceedings, and any other use required by law for public health, communicable disease, abuse or neglect, or food and drug administration purposes.

MANDATORY OSHA EDUCATION

ALL students MUST participate in mandatory OSHA standard precautions training prior to entry into the clinical agency. This in-service is provided during scheduled class time. If a student does not attend this in-service, they are responsible for attendance at the hospital-based in-service on their own time.

PERFORMANCE OF UNAUTHORIZED PROCEDURES

The performance of any unauthorized or unsupervised procedures during laboratory practice and/or clinical externships will result in immediate disciplinary action which may lead to suspension from the course and/or program.

STUDENT INJURIES

Accidental injuries, both on school property and in the clinical agencies, need to be reported to the program coordinator within immediately. A copy of the agency incident report, if completed, should be given to the program coordinator, and students are expected to complete the school accident form for injuries sustained on campus.

DRESS CODE

Uniforms are required for all students and will be worn daily in the classroom, mock laboratory, and clinical setting. Students are required to wear their name pin at all times when on school grounds or in clinical agencies. Students are required to wear safety glasses in all mock laboratory experiences and during clinical experiences when there is a potential for exposure to blood/body fluid or chemicals. Hair must be clean, neatly kept, and worn off the neck. Jewelry worn should be kept to a minimum while in the clinical setting. Body piercing is not permitted. Nails must be neat and trimmed short as they may harbor microorganisms that lead to infection. Artificial nails are not permitted for this reason. Perfume is not to be worn at any time. When street clothes are permitted, they should conform to your position as a professional. Students are not permitted to wear, spandex, leggings, athletic clothes, T-shirts, shorts or any similar clothing.

POLICY ON ACCOMMODATION OF STUDENT WITH DISABILITIES

It is the policy of the program to provide, on a flexible and individualized basis, reasonable accommodations to students who have disabilities that may affect their ability to participate in course activities or to meet course requirements. Students with disabilities are encouraged to contact their instructors to discuss their individual needs for accommodation. In order to verify eligibility for protection under section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, and to support requests for reasonable accommodations, in most cases, a student must initiate an initial request for services and a request for specific accommodation services through the program coordinator.

PREGNANCY POLICY

If pregnancy occurs while enrolled a student MUST notify the program coordinator as soon as the pregnancy is suspected or confirmed. Pregnant students will be expected to adhere to the classroom and clinical schedules as long as her physician permits. Periodic written documentation must be provided by the physician in order for the student to continue in the program. Adjustments will be made in clinical case assignments to restrict the pregnant student's exposure to potentially harmful situations.

LEAVE OF ABSENCE POLICY

Students shall be granted temporary leaves of absence for the following events, under the following terms and conditions:

1. DEATH IN THE FAMILY

In the event of a death in the IMMEDIATE family, up to two (2) school days for each death will be granted, depending on the day of the death. Students may request leave beyond that provided under this policy. Leave may be granted, but the missed time will be counted as absent time.

2. JURY DUTY

In the event of a summons to appear in court for jury duty, the student will serve for the duration of the assignment with written verification from the court.

3. MILITARY DUTY

A maximum of 17 consecutive days leave granted, provided that the student has made a reasonable effort to schedule the duty on non-school time. The student is responsible for all class information covered during his/her excused absence.

WITHDRAWAL/DISMISSAL POLICY

Should the student wish to withdraw from the program, the student will contact the program coordinator to discuss the reason for withdrawal and a formal withdrawal form filled out.

Any student who consistently fails to follow the policies/guidelines set forth in this handbook (more than two major infractions involving the same topic or two separate but significant topics) will be subject to dismissal after discussion/counseling by the program coordinator. Other reasons for dismissal include but are not limited to: academic failure, unsatisfactory clinical performance, and patient safety concerns.

REFUND POLICY

McCann postsecondary programs adhere to the following refund policy:

- Full tuition refunds are granted for any program cancelled by McCann.
- A full tuition refund is given before the first day of class, 75% tuition refund is given for class days 1-6, 50% for class days 7-10, and no tuition refund after 10 class days.
- Refunds are processed after the end of the refund period. Refund checks are mailed to the student's home address on file in the superintendent's office. No refunds for books, fees, or kits.

STUDENT GRIEVANCE POLICY

The student grievance policy provides a system to manage student issues involving faculty, staff, or fellow students. Students desiring to discuss or file a grievance should use the following protocols:

1. The student shall make an appointment, within three (3) days, with the instructor to discuss the issue with the objective of resolving the issue informally.
2. If the grievance is not resolved to the satisfaction of the student, the student may submit the grievance in writing to the program coordinator within three (3) days of the informal discussion.
3. The program coordinator shall investigate the grievance and report to the student both verbally and in writing within seven (7) days or receipt of the formal grievance filing.
4. Should the grievance not be resolved to the student's satisfaction, the student may appeal the decision to the principal. This appeal should be made in writing within seven (7) days of the program coordinator's report. The principal shall investigate the issue and report to the student both verbally and in writing within seven (7) days of receipt of the appeal letter.
5. Should the grievance not be resolved to the student's satisfaction, the student may appeal the decision to the superintendent. This appeal should be made in writing within seven (7) days and in writing within seven (7) days of his/her receipt of the appeal letter.
6. Should the grievance not be resolved to the student's satisfaction, the student may contact the Council on Occupational Education, 7840 Roswell Road, Bldg. 300, Suite 325, Atlanta, GA 30350.

DRUG/ALCOHOL POLICY

The possession or use of alcohol or drugs on school property, or at school functions is prohibited. Any person in violation of this policy is subject to arrest, removal or, in the case of students, other punishment to include suspension or expulsion. Any student who is found in school or at school sponsored events, including athletic games, in possession of a controlled substance as proscribed by law, may be subject to expulsion.

SMOKING POLICY

It is unlawful for any student enrolled in public schools in the Commonwealth to use or possess tobacco products of any type on school grounds. Non-adherence to these regulations will, for first time offender, warrant a three-day suspension. For further violations, punishment will be progressive and at the discretion of the assistant principal.

SECURITY /VISITORS

In order to provide a secure educational facility all visitors must report to the principal's office immediately upon their arrival to register and receive a visitor's pass. Visitors must enter and exit through the main entrance only. In the interest of safety students from other schools, infants, or minor children are not allowed in the corridors, classrooms or vocational areas. Visitors are subject to all McCann standards of conduct and dress while on school grounds.

WEAPONS

Guns, knives, or any article which is considered to be lethal or having the capability of doing harm to oneself or another person is strictly prohibited. Possession of such weapons will involve police action and result in suspension and expulsion.

SEXUAL HARRASMENT

The district affirms its commitment to preventing sexual harassment of students and adopts this policy to cover all students within the district. It is our goal to promote a school environment that is free of sexual harassment. Sexual harassment of students occurring in the school or at school-related events is unlawful and will not be tolerated. Further, any retaliation against individuals for cooperating with an investigation of a sexual complaint is similarly unlawful and will not be tolerated. We will respond promptly to complaints of sexual harassment and where it is determined that such inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action as appropriate.

HAZING

It is the policy of the school district to enforce the penalties proscribed by law to whoever is a principal organizer or participant in the crime of hazing. The term "hazing" as used in this section and in section 18 and 19, shall mean any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any such student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest, or extended isolation.

Section 18. *Duty of Report Hazing* – Whoever knows that another person is the victim of hazing and is the scene of such crime shall, to the extent that such person can do so without danger or peril to himself/herself or others, report such crime to an appropriate law enforcement official as soon as is reasonably practicable.

Section 19. *Hazing Statutes to be Provided, Statement of Compliance and Discipline Policy Required* – Each institution of secondary education...shall issue to every student group, team or organization, which is part of such institution or is recognized by this institution....a copy of this section.

BULLYING/CYBER BULLYING

Bullying, cyber bullying, and retaliation are prohibited. The district is committed to maintaining a school environment where students are free from bullying, including cyber bullying, the effects of such conduct, and retaliation. Bullying is conduct that is repeated by one or more students and targets another student, causing one or more of the following: physical or emotional harm to the targeted student or damage to his/her property; placement of the targeted student in reasonable fear of harm to him/herself or of damage to his/her property; a hostile environment at school for the targeted student; infringement on the rights of the targeted student at school; or material and substantial disruption to the educational process or the orderly operation of the school.

Bullying is the repeated use by one or more students of a written, verbal or electronic expression or a physical act or gesture or any combination thereof, directed at a victim that: (i) causes physical or emotional harm to the victim or damage to the victim's property; (ii) places the victim in reasonable fear of harm to himself or of damage to his property; (iii) creates a hostile environment at school for the victim; (iv) infringes on the rights of the victim at school; or (v) materially and substantially disrupts the education process or the orderly operation of a school.
(M.G.L. c. 71, § 37O)

LIBRARY

The school library (D Wing) is open from 7:45AM to 2:45PM or by arrangement with the librarian. Internet access is available for research projects. Student orientation to the library collection and resources will be arranged during the first weeks of school. The librarian is available, by appointment, for assistance. All materials must be checked out at the front desk and become the student's responsibility. Loss of library materials will necessitate the payment of a replacement fee. Certificates will be held until all library obligations are met.

SCHOOL CALENDAR

Postsecondary students follow the same schedule as the high school, including school holidays. Vacations include Thanksgiving and Christmas recess, and mid-Winter and Spring breaks. Please refer to the school calendar for specific dates.

SCHOOL DAY

School hours are 8:00 AM to 2:45 PM, Monday through Friday. Clinical hours vary according to rotation and site. Breakfast, coffee break and lunch are available for purchase for postsecondary students. Breakfast is served 7:30 - 8:00AM. Coffee break is scheduled mid-morning. Hot beverages and snacks are available. Lunch is available between 11:45AM - 12:15PM (Students are requested to vacate the cafeteria after eating to permit high school students cafeteria access.) Students are permitted to leave school grounds during the lunch period. The classroom is available for students during the lunch period.

TRANSPORTATION

Students may drive their own cars to school, provided they have filed a driver's permission form with the post-secondary office. Parking for students is permitted in the postsecondary parking lot in front of the C-wing. Students are responsible for arranging transportation to and from all assigned clinical agencies. Not all students are assigned to the same sites at the same time. Car-pooling may be utilized, but allowances for illness and changes in plans must be considered.

STUDENT LOCKERS

Lockers are provided in the postsecondary area for student use. Locks are provided. Locker doors should be kept closed. No materials should be left outside, on top, or in front of lockers. Lockers remain the property of the school, and are subject to inspection by school administrators should it be deemed necessary. Lockers are **not** provided for students in the clinical area. Students should NOT bring valuables to the clinical agency.

SCHOOL CANCELLATION/CLOSINGS

When conditions warrant school cancellation/closing, notification will be given from 6:00AM on. This information can be heard on radio stations WNAW in North Adams or WBEC in Pittsfield, and on television station Channel 6, 10, and 13. **PLEASE NOTE:** Listen for the McCann School closing, not North Adams Public Schools. Cancellations will also be posted on the school website which is www.mccanntech.org. All students will also be added to an all-call list with phone numbers provided.

SCHOOL NURSE

The services of the school nurse are available to postsecondary students. The nurse's office is located in the "B" wing. The school nurse CANNOT dispense medications. Students should provide their own over-the-counter and prescription medications.

SKILLSUSA

McCann Technical School is a 100% member of SKILLSUSA, an international student organization with over 54 separate state chapters and territorial associations with 300,000 members. Students are encouraged to actively participate in chapter activities including district, state and national skill area competitions. The school pays the cost of these competitions at the district, state and national level however, if the student fails to attend after making the commitment, they will reimburse the school for any incurred expenses. The standards of the organization are based on national/vocational/technical curriculum proficiency criteria and these requirements are included in the grading in applicable subjects that will be noted by the program coordinator.

PROGRAM COURSE LISTING

Dental Assisting is an instructional program that prepares individuals to assist a dentist at chairside. This preparation includes office procedures, performance of radiographic techniques and selected laboratory tasks. McCann graduates are eligible to sit for the Certified Dental Assistant (CDA) examination as administered by the Dental Assisting National Board (DANB). This course is divided into two semesters, the first semester includes academic and clinical procedures preparation, while the second semester consists largely of general and specialty externships in carefully selected private dental offices and clinics.
