5. Concerns
 - Cross walk/flags/speed limit sign needed @ 10th North, by the catwalk. ---Alicia Cutts has a “friend” she is going to talk to about this concern.
 - Sprinklers on the sidewalks forcing students to walk in the street. ---We are going to see in the spring if a letter can be mailed out or talk to the few houses directly.
 - Install a bike rack by the kindergarten doors and possibly by the 6th grade portables.
 - More outside help is needed at the end of the day. ---James is going to have teachers walk their class out and stay outside for 5-10 minutes.
 - With kinder PM students, they are being dropped off too early, and are having behavioral issues. ---James is going to open the doors and have them sit on the stage in the gym until class starts. Also, we might look into have student council help out with mornings outside.
 - There is a missing lock in the boy’s stall on the south end of the building. ---James will have Scott see if he can find the lock.

- Students are feeling like the playground duties don't care about what happens outside. ---James will meet with the duties and share this concern and make a plan to solve the issue.

6. Calendar following meetings: Jan 12th, Mar 9th, April 27th @ 4:30. Additional meetings will be scheduled if needed.

- Tiffany Dewey was elected unanimously as this year's co-chair.
