# STUDENT CAR USE POLICY

Revised: June 2017 (This policy was reviewed in 2017)  
Next Revision: June 2019

## 1. CONTEXT

Students come to Campbell from a wide catchment and sixth form students may find it convenient to drive to school. The privilege of bringing a car to school is solely in the gift of the College and it is **not** a right of a student: the contract that pupils and parents sign makes this point unequivocally.

The College would like the experience of being in the Sixth Form at Campbell College to be a purposeful and enjoyable one; to an extent, the privilege of being allowed to park a car in the school grounds is an expression of that desire. If such a privilege is to be workable then students need to observe the guidelines and value this contract. Since there are a limited number of parking spaces in the College, parking is limited to the Upper Sixth (Year 14).

We also believe that students need to respect rules and boundaries. This policy details who may bring cars into school, what procedures must be followed and the levels of attendance and punctuality required to be granted and to maintain a car parking permit.

## 2. ROAD SAFETY

There remains an unacceptable level of injuries and deaths on our roads, and we should be ever mindful of the comparatively low level of experience of newly qualified drivers. Subsequently, all schools have procedures in place to protect their students, to protect the school from liability, to honour their duty of care and to safeguard other pupils, staff and visitors within the school grounds.

**All pupils must seek permission from the College in the manner detailed in this policy before they can bring a car onto the grounds.**

**Further, they may not carry passengers without the College's permission, which will follow only once other parental permissions are in place.**

**The College does not permit the use of motorcycles.**

## 3. PERMISSION TO DRIVE A CAR INTO THE COLLEGE

Permission to bring cars on site is **only** granted if these conditions are met:

- The student must be in **YEAR 14**,
- The student's **attendance rate must be over 90%** (except for certified medical/personal reasons)
- The student's **punctuality rate must be over 95%**
- The student must have no concerns over academic progress or personal conduct

A car permit may be withdrawn, with **immediate** effect, if any of the above conditions are not met.

#### 4. SAFETY AND SECURITY OF CARS

All vehicles, and all valuables left in cars will be left at the owner's risk. It is advised, therefore, that any valuables, personal or expensive items should be secured out of sight in the boot or dashboard pocket of the car to reduce the opportunity for theft.

**STUDENTS BRING THEIR CARS ENTIRELY AT THEIR OWN RISK. THE COLLEGE WILL NOT BE HELD RESPONSIBLE FOR ANY DAMAGE TO CARS.**

#### 5. SCHOOL REGULATIONS

For the safety and wellbeing of all members of the school community it is necessary for the school to have some fundamental conditions which must be adhered to by all students who are granted permission to park their vehicles in the school grounds.

Please remember that you have been entrusted as an individual with the responsibility to drive in the school grounds.

We, therefore, expect you to comply with the following:

- a) All drivers must register their car AND themselves as the driver and display their registration badge.
- b) To drive with the utmost care and attention at all times.
- c) To arrive in school on time for first commitments at 8.40am and to park **only** in the Sixth Form car park. If this is full then permission extends to allow overspill parking **only** in the Ormiston car park (in the row closest to the playground). As these areas are on the main thoroughfare, extra care must be taken when entering and exiting the car parks.
- d) The car is not to be used throughout the school day without permission from the driver's Head of Year, Head of Key Stage, or a Vice-Principal. **This includes travel within the school grounds.**
- f) Student drivers must not exceed the maximum speed of 15 mph in the school grounds. They must drive with due care and attention at all times.
- g) Drivers may not carry passengers unless express permission has been given by a Head of Key Stage/Head of Boarding, and a 'permission to carry passengers' form has been submitted. Any passenger must present a letter of consent from their Parent/Guardian to the Head of Key Stage, clearly indicating that they are fully aware of the arrangement.
- h) All cars must have valid road tax. Drivers must have full insurance in place.
- i) **Attendance, punctuality, conduct and academic progress must be to a satisfactory level before permission will be given to bring a car into school (See Section 3 above). This permission may be withdrawn, with immediate effect, if any of these issues become a concern.**

In the interest of health and safety for other students and staff, and to preserve the grounds, motorbikes of any size belonging to students may not be driven on or into the grounds of Campbell College at any time.

**WHEN LEAVING THE GROUNDS FOR ANY REASON, THE DRIVER MUST  
SIGN OUT AT FRONT OF HOUSE (AND SIGN IN ON RETURN)**

**A violation of any of these conditions may lead to permission to park in the school grounds being revoked. If a student, subsequently, parks or brings the car to school without permission it will be treated as serious misconduct.**

### **SPECIFIC INSTRUCTIONS TO BOARDERS**

In addition to the rules above, we expect Boarders to comply with the following:

- a) All drivers have permission **from the Head of Boarding** to bring their car to school (and park overnight)
- b) Cars may **only** be parked in the car park beside Senior Boarding
- c) The car may not be used at any time without permission from the Head of Boarding.

### **LIMITED CAR PARKING**

There are limited spaces in the College for pupil parking, so it may be necessary to enhance these criteria. If that become necessary then the distance a pupil lives from the College will be taken into consideration. If a pupil lives within a reasonable distance, or on a straightforward public transport link, they may not be given permission to park in the College, or their permission will be withdrawn.

### **PARKING / DRIVING OUTSIDE THE GROUNDS**

At all times when in uniform, pupils represent Campbell College. Any actions which damage the good reputation of the College will result in a car parking permit being instantly withdrawn or the issue may be progressed under the Positive Behaviour Policy.

## **6. REVIEW OF POLICY**

**This policy will be reviewed by the Board of Governors at least every two years; however, the College may revise the policy at any time it considers necessary. The latest version will be available on the school website or by contacting the College.**

## 7. BREACH OF PARKING REGULATIONS

The privilege of bringing a car to school is solely in the gift of the College and it is not a right. Breaking the conditions within this policy will result in the following actions. These represent the minimum action that may be taken and only refers to the right to park a car on College grounds; additional sanctions will apply. The College may deem a breach of the car parking regulations to be more severe than the stages outlined below and may progress sanctions faster and/or higher.

By allowing their son to bring his car into school, parents must agree to, and fully support the actions taken by the College to ensure this policy is adhered to.

These steps are for guidance, and may be enhanced if deemed necessary:

### HoY Involved

#### **Stage 1**

Student Breaking car permit rules
