Dear Shepaug Families:

It is with mixed emotion that I share some important news with you: Todd Dyer has accepted a position at Avon Public Schools and will be leaving us at the end of the week.

Mr. Dyer has been a caring, supportive, and valued leader at Shepaug for the past thirteen years, and he will be sorely missed. Students, staff, and parents alike have benefitted from his dedication and professionalism. I will especially miss his daily goal of greeting everyone he sees with a warm smile and a personal message. This goal created a sense of community that is the embodiment of the Shepaug Experience!

We are working very diligently to find a candidate for Mr. Dyer's replacement that will provide us the vision and drive to move our school forward. We do so with heavy hearts, but with the firm and unwavering notion that we will find a candidate that continues in the strong leadership tradition of Todd Dyer.

Please join me in thanking Mr. Dyer for the excellent service he has provided to our wonderful learning community.

Sincerely,
