CETRONIA MEDIA CENTER NEWS

ENCHANTED FOREST BOOK FAIR

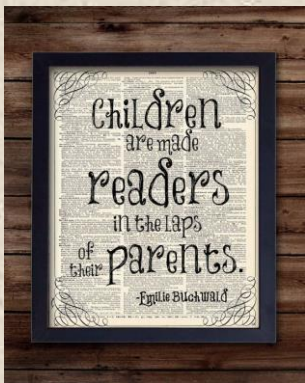

Another Cetronia fair is in the books, with lots of visitors and new exciting titles. Ella C. from Mr. Fick's 3rd grade won our Enchanted Fall Contest, taking home a book of her choice and a magic jar with unicorn sweets. Congratulations!

LITERACY NIGHT

During Hedgehog Literacy Night, our MC was transformed into a restaurant for a Student Book Tasting. Each table was set with a book at every plate and an extra stack of books in the center. Students were seated to "sample" the books, as well as review them on the "menu". This activity was a fun, easy way to engage students in new genres, authors, and styles. After all, books are a lot like food—you won't know if you like something until you try it!

STORY BOOK PUMPKIN PATCH

We grew a pumpkin patch in our MC and many students and families helped! They decorated a pumpkin to look like one of their favorite book characters and brought them to school for a display. Here is a sneak peek from our twitter [CLICK](#).

DID YOU KNOW?

The Osmothèque is a library of smells in Versailles, France. Founded in 1990, the Osmothèque is a repository for perfumes and contains over 3,200 scents, some 400 of which are no longer made. The collection is an archive of perfume-making history, and many fragrance houses and parfumeurs have kindly donated samples of perfumes, both current and historical, in order to safeguard their formulas.

This month's author is award winning children's book illustrator and author **Rosemary Wells**, who will speak about and sign her picture books at a special Max & Ruby Celebration held at the **SMS auditorium**. Come hear Rosemary Well's stories about her writing and illustrating process of her beloved characters including **Max and Ruby**.

Join the fun, and munch on Max and Ruby treats, enter to win a Max and Ruby prize basket and wear your own Max and Ruby bunny ears by balloon artist Clay Gunderman. Free tickets for this event will be available at www.parklandlibrary.org. RSVP required.
