Unless an application for a change of use has been obtained from the Planning Department, no extension, alteration or rearrangement in the structural parts of the building, including the roof, or any part thereof, or any addition thereto, or in the height shall be made, nor enlargement, whether by extending or increasing the area of the building, or by increasing in height shall be made, nor shall the building be moved from one location or position to another, nor shall there be any reduction or diminution of the area of the lot or plot on which the building is erected.

Section Heading

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2017-18 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: *The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:* <http://www.p12.nysed.gov/psc/AuditGuide.html>

Line 1: Total Expenditures	3090573
Line 2: Year End FTE student enrollment	148
Line 3: Divide Line 1 by Line 2	20941

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2017-18 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:

The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:

<http://www.p12.nysed.gov/psc/AuditGuide.html>.

Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	118290
Line 2: Management and General Cost (Column)	165346
Line 3: Sum of Line 1 and Line 2	283635
Line 5: Divide Line 3 by the Year End FTE student enrollment	1922

Entry 10 Enrollment and Retention of Special Populations

[Instructions for Reporting Enrollment and Retention Strategies](#)

Describe the efforts the charter school has made in 2017-18 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2018-19.

BRONX CS FOR EXCELLENCE 3 (SUNY TRUSTEES)Section Heading

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2017-18	Describe Recruitment Plans in 2018-19)
Economically Disadvantaged	During our student recruitment process, we widely advertise our admissions window in Bronx newspapers that reaches out to various areas where economically disadvantaged families reside. For our online application, we indicate it as a preference to encourage families to apply. We inform families we are a public school and that there is no cost associated with attending. For families who are in severe need and cannot afford the entire uniform, we provide as much assistance as we can so they get what they need.	We will continue to advertise with papers that we know are delivered to areas of ED families. We also advertise in free newspapers so that we reach families who are unable to afford to purchase other publications. We will continue to provide assistance for uniforms for those families who are in severe need. We also plan to request an amendment to make this an official preference for the school, falling after the sibling preference.
English Language Learners	As part of our student recruitment process every year, we advertise in various local papers. During this time, bilingual staff members from BCSE visit various early childhood education centers to distribute applications and share knowledge about what the school has to offer for students who are English Language Learners (ELL). Currently, our applications are translated in Spanish and Bengali.	We will continue our efforts by continuing to advertise and visit early childhood education centers. We will also attend Charter School open houses that are offered by the NYC Charter School Center. We hope to one day be able to set up an Charter School open house solely in the Bronx to reach out to more families.
Students with Disabilities	During our student recruitment process, prospective families who indicate they have a child with a disability are informed that we have a dedicated student support service department that will help them one on one once they are accepted.	We will continue to extend our time and knowledge on a case by case basis for those families who have a child with a disability. It is very important for us to keep this culture as it shows how hard we are willing to work with a parent in making their child succeed no matter what setting is required.

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2017-18	Describe Retention Plans in 2018-19)
Economically Disadvantaged	Once we have established who falls into the criteria, we are able to connect with camps and programs that specifically target this population. We then work with the families who are interested in these programs and go through the steps of putting the student in the program. Programs have been offered during the school year and in the summer.	We will continue to research what programs are offered to this specific population and provide them with as many opportunities as we can for their children. We are working on obtaining uniform vouchers for those families who absolutely cannot afford uniforms for their children. New for this year, we have been accepted into the "Cool Culture" programs which will allow all kindergarten families to attend the 90 cultural and art institutions.
English Language Learners	At the time of registration, families are given a survey that helps to identify what the primary language in the household is. We find that 10%-15% of kindergarten students are eligible for NYSITELL testing. This test helps us identify the level of English proficiency in the student. Through immersion and high quality assistance from the teachers, students are tested out by the time they first or second grade.	The process for identifying ELL students will remain the same as it has worked over the years. One new addition we will work to implement this year is purchasing literature or software. An additional supplement they can do at home with their families so that they all are getting the benefit of learning.
Students with Disabilities	BCSE mainstreams students with special needs. Additionally, BCSE serves students who have special learning needs and provides services including: Integrated Co-Teaching (ICT), Special Education Teacher Support Services (SETSS), Counseling, Speech, Occupational Therapy and Physical Therapy. We also have staffed positions whose focus is solely on student with disabilities. They work hard to get students the services they need so that eventually the student can be phased out of the Individualized Educational Plan they were given.	We will continue to work with families on a case by case basis to educate them on what the child's IEP means and why they should receive the recommended service. We will begin servicing the child as soon as possible. If for any reason, a parent doesn't agree with the mandated services, we will help them with the appeal process as well. The ultimate goal is get the correct services for the student so that they can eventually go from what may be a complex setting to a less complex setting then eventually phasing out.

Entry 11 Classroom Teacher and Administrator Attrition

Last updated: 08/01/2018

Report changes in teacher and administrator staffing.

Instructions for completing the Classroom Teacher and Administrator Attrition Tables

Charter schools must complete the tables titled 2017-2018 Classroom Teacher and Administrator Attrition to report changes in teacher and administrator staffing during the 2017-2018 school year. Please provide the full time equivalent (FTE) of staff on June 30, 2017; the FTE for any departed staff from July 1, 2017 through June 30, 2018; the FTE for added staff from July 1, 2017 through June 30, 2018; and the FTE of staff added in newly created positions from July 1, 2017 through June 30, 2018 using the tables provided.

1. Classroom Teacher Attrition Table

	FTE Classroom Teachers on 6/30/17	FTE Classroom Teachers Departed 7/1/17 - 6/30/18	FTE Classroom Teachers Filling Vacant Positions 7/1/17 - 6/30/18	FTE Classroom Teachers Added in New Positions 7/1/17 - 6/30/18	FTE of Classroom Teachers on 6/30/18

2. Administrator Position Attrition Table

	FTE Administrative Positions on 6/30/17	FTE Administrators Departed 7/1/17 - 6/30/18	FTE Administrators Filling Vacant Positions 7/1/17 - 6/30/18	FTE Administrators Added in New Positions 7/1/17 - 6/30/18	FTE Administrative Positions on 6/30/18

3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher’s advancement up the ladder to a leadership position within the network or an administrator’s movement to lead a new network charter school.

BCSE 3 is a new and expanding school, with a foundation based on our Excellence Model. The large increase in positions is related to the opening of BCSE 3 after 6/30/17. These were counted as new positions when responding to the ‘new positions’ question.

4. Charter schools must ensure that all prospective employees receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable
