

# ROWAN-SALISBURY SCHOOL SYSTEM

## 2019-2020 School Calendar

## CALENDAR C

### Features of This Calendar / Benefit to Students:

- Students are able to start earlier than they were able to with a traditional calendar.
- An earlier start allow for a smoother transition back to school for students such as band members, athletes, and other specialty program students who are already back in July.
- The first semester ends before the Christmas/Winter Holiday break. High school students are able to complete exams before the break.
- Students finish school before Memorial Day.
- Most of July and all of June are protected.
- The calendar contains smaller breaks throughout the school year.
- The calendar contains designated professional development days for teachers.
- Frequent breaks throughout the year allow opportunities for students and staff to refuel and allow families to take a variety of short vacations without missing instructional days.
- Schools can develop camps and other learning experiences for students during breaks.
- Early graduates have the chance to enroll in advanced level classes in January at desired college or community college.
- The calendar configuration prevents long stretches of time without breaks.
