### **CALENDAR A**

# Features of This Calendar / Benefit to Students:

- Students are able to start earlier than they were able to with a traditional calendar.
- The first semester ends before the Christmas/Winter Holiday break. High school students are able to complete exams before the break.
- Students finish school before Memorial Day.
- The months of June and July are protected.
- The calendar contains smaller breaks throughout the school year.
- Beginning school on August 7<sup>th</sup> allows students to receive devices before school starts.
- Closing school on November 5<sup>th</sup> allows schools to be used as polling places and allows adults to come in and out of the building to vote without endangering students.
- Students take exams prior to Christmas break.
- Students return to school in January refreshed and begin the new classes for the second semester.
- By moving Spring Break before Easter, this allows students to have proper test preparation for Advanced Placement Exams (tentatively May 4-11<sup>th</sup>) and End of Course/End of Grade tests (tentatively May 11-20).
