## Annual Report

2017-2018

## Dear Friends,

The following pages offer a glimpse into the vibrant life of the Fairfield Prep community. Here you will find boys discovering their many gifts and growing into young men of true character. We believe in education for the whole person, and so we offer a host of engaging activities that foster the intellectual, physical, emotional, and spiritual growth of our students.

As Fairfield Prep is a division of Fairfield University, we offer unparalleled facilities and resources. Most importantly, the “Prep Brotherhood” you often hear about provides the nurturing environment in which our students thrive, gain confidence, and support one another on their paths to success. Between the place and the people, Prep provides a unique learning environment.

For more than 75 years, thousands of boys have been transformed through their Prep education. And while our graduates are high achievers in terms of college acceptances, artistic performances, and athletic awards, our true mark of excellence is the proven quality of their leadership in society. We hope you and your family join in this tradition.

Sincerely,

### ACADEMICS

Fairfield Prep offers a comprehensive, exciting and engaging college preparatory curriculum of courses in Science, Mathematics, Technology, Foreign Language, Social Studies, English, Theology and the Arts. In their classes, students take an active role in their learning – they experiment and discover; they form their own opinions and defend them; they ask and answer the tough questions; they learn to think and reason critically; they read, research, write, draw and perform. The modern learning environment and 1:1 iPad program gives students at Prep the opportunity to integrate technology into their education. Teachers at Prep are well educated and committed to the success of each of their students – they model being life-long learners and continuously engage in their own professional development. A Fairfield Prep education not only prepares students for college, it gives them the foundation to succeed in life.

## for Competition

**ATHLETICS** Jesuit education stresses a care for the whole person: mind, body, and spirit. The Fairfield Prep athletic program includes 35 total teams in 17 sports allowing for nearly 75% of our student body to participate in one or more sport at Prep. Our affiliation with Fairfield University allows our student-athletes to utilize Division I quality facilities including the new Rafferty Stadium for Football, Soccer, and Lacrosse; Alumni Diamond for Baseball; and Alumni Hall for our Basketball teams. Our teams consistently compete in state tournament competitions across all three athletic seasons. More importantly, our alumni often reference their time on the playing fields at Prep as some of their most formative experiences in high school. Much of that is thanks to our high-quality coaches. They are trained in the Jesuit mission, and understand that our athletics program is integral to the education of the many young men who participate.

## for Creativity

**FINE ARTS** Communication, collaboration, and creative thinking – these are the skills students cultivate by engaging with the Fine Arts. Pencil in hand, a student sketches, shapes, and sharpens ideas into fruition. On stage, he pays careful attention to the ways gesture, posture, expression, and voice speak to his audience. Each member of our orchestra, choir and jazz ensemble keys into the musicians around him, and together they seek a unity in their sound. Working in these disciplines affords our students the valuable opportunity to take a leap and learn from the failures and successes of process. At Fairfield Prep, we foster a lifelong love of learning through a lifelong love of the arts.

# PREP for Leadership

Through our ever evolving list of clubs and Christian service programs students can participate in many opportunities, challenge themselves, and learn the ropes of leadership no matter their interest. Each year our student retreats and service program, including our service immersion trips, see great participation from the student body. The Kairos Retreats have over 150 juniors and seniors participate yearly; and three Urban Plunge Retreats have over 50 juniors partake in service in the inner-city. Prep also offers immersion trips in Immokalee, Florida and Appalachia, as well as International Immersion experiences in Ecuador and Jamaica. Approximately 60 students participate in these trips annually. In 2017-2018 Fairfield Prep students completed a minimum of 23,000 hours of service.
