

HIPAA Special Enrollment Rights Notice

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) provides employees additional opportunities to enroll in a group health plan if they experience a loss of other coverage or certain life events.

If you are declining coverage at this time for either yourself or your eligible dependents, you may be able to enroll yourself and/or your eligible dependents in coverage at a later date if there is a loss of other coverage. You must enroll and provide the required supporting documentation within 31 days of the date your other coverage ends.

In addition, you may be able to enroll yourself and your eligible dependents if you have a qualifying life event (e.g. change in your marital status, birth or adoption of a child, death of dependent or change in employment status.) You must enroll and provide the applicable required supporting documentation within 31 days of the qualifying life event.
