- 11/30: Star Pride/Saints T-Shirt Day

South Elementary will have their annual Veterans Day program on November 12th at 8:15am. This special program will honor those who have served in the military. Space is very limited. Invitations for the honored guests have been sent home with the students.

### **MUSIC PROGRAM INFORMATION**

As we look forward to the excitement of all that the coming months bring, some families are asking what dates to mark on their calendars for music programs. During the school year, each elementary building presents one music program at the Performing Arts Center located at the St. Peter High School. This year, the North Elementary Music Program will be presented by students in grades 2-4 on Tuesday, December 11, 2018.

The South Elementary Music Program will be presented by students in kindergarten and first grade on Thursday, May 23, 2019.
