

District of Innovation
Public Meeting of District Advisory Committee
The Great Room, MISD Administration Building
605 East Broad Street
Mansfield, TX 76063
7:00 PM

Tuesday June 7, 2016

On June 7, 2016, the Mansfield ISD District Advisory Committee (DAC) held a Public Meeting to vote on the MISD Local Innovation Plan as specified under Texas Education Code 12.A Districts of Innovation. A quorum of DAC members were present.

Following a brief expression of thanks by Dr. Sean Scott, Assistant Superintendent for Technology & Information Services and DAC Facilitator, the committee was given time to reread the proposed Local Innovation Plan which has been posted on the MISD website for the required thirty days. The provisions of the plan were then reviewed by Dr. Scott followed by a time for questions and/or discussion by anyone present at the meeting. A motion that the DAC vote to approve the Local Innovation Plan was made by DAC member David Rinearson and seconded by DAC member Jason Young. The DAC voted unanimously to approve the Local Innovation Plan.

Dr. Scott then reviewed the remainder of the District of Innovation process, reminding the DAC that the Local Innovation Plan must be approved by a two-thirds vote of the MISD Board of Trustees. He again thanked the committee members for their time and contributions. The meeting was adjourned.
