

## Letter to Parent/Guardian Explaining Requirements

2018-19

Dear Parent/Guardian:

Your student's school will make meal modifications prescribed by a licensed medical authority that is authorized by Kansas state law to write medical prescriptions (MD, DO, PA, or APRN) to accommodate a disability. A *Medical Statement to Request School Meal Modification* is attached to this letter and can be used to request a meal modification.

To ensure the requested meal modifications can be made, return the completed medical statement to your school nurse. It will take approximately a week from the time the request is received until it can be implemented with Food Services.

**IMPORTANT:** For a student who does not have a disability, the meal must meet the reimbursable meal pattern. No substitutions will be made for vegan diet, religious, ethical or cultural reasons.

If you have questions or need assistance, please contact your school nurse or the Food Service office.

Sincerely,

SMSD Food Services
