With the holidays quickly approaching, what better time to celebrate family! This month we will be teaching the preschoolers the signs for immediate and extended family members and reinforcing these signs with songs and books about family and love. We will also teach them how to find their special "ASL name," which combines their signed initial with a hobby or interest. Family month will end with some fun Thanksgiving signs and songs, tying in the theme of family importance.

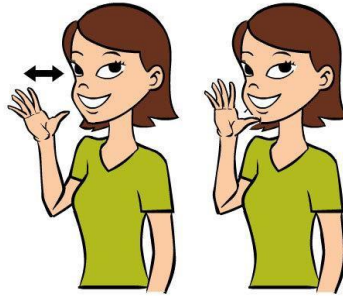

Some fun family books to read and sign:
