

SUBJECT: SCHOOL MEAL SERVICE PROGRAM (LUNCH AND BREAKFAST)

The Board of Education recognizes that the nutrition of district students is an important factor in their educational progress. The Board therefore shall participate in federally funded school lunch programs, and shall provide free or reduced price meal services to qualified district students.

Availability, Application and Notification

Notice of the availability of the free and reduced price meal programs will be sent to the homes of students, local media, the local unemployment office and large employers experiencing layoffs in the area from which the district draws its attendance. Any child who is a member of a family unit whose income is below the federally established scale shall be eligible to receive such services.

To apply for the free [or reduced price] meal program:

- a. Application forms will be available in the main office of each school building and on the district web site <http://www.onteora.k12.ny.us/domain/20> and can be completed and submitted at any time during the year.
- b. Completed forms must be submitted to the main office of the school which the student attends prior to any determination of eligibility.
- c. The parent or guardian will be informed of the determination within one week of receiving a properly completed application.

Applications will be kept confidential.

Upon written request, the Assistant Superintendent for Business will hear appeals of determinations regarding such services in compliance with federal regulations governing the National School Lunch Program.

In addition, in order to reach students who are categorically eligible for free [and reduced price] meals and to comply with state law, three times per school year the School Lunch Manager will review the list made available by the State Education Department of children ages three to 18 who are in households receiving federal food assistance, Medicaid benefits (for certain recipients), or Temporary Assistance for Needy Families (TANF) to identify students within the district. The district will send a notice to those families apprising them of their student's eligibility to participate in the school meal programs without further application. Parents may decline participation by informing the district in writing. If the service is declined, the student will be removed from the eligibility list.

Meal Charge Policy

The goal of the Onteora Central School District is to provide student access to nutritious no- or low-cost meals each school day and to ensure that a pupil whose parent/guardian has unpaid school meal fees is not shamed or treated differently than a pupil whose parent/guardian does not have unpaid meal fees.

The intent of this policy is to establish procedures to address unpaid meal charges throughout the Onteora Central School District in a way that does not stigmatize, distress or embarrass students. The provisions of this policy pertain to regular priced school breakfast and lunch meals only. The Onteora Central School District provides this policy as a courtesy to those students in the event that they forget or lose their lunch money. Charging of items outside of the reimbursable meals (a la carte items, adult meals, etc.) is expressly prohibited.
