Empowering students to be independent critical thinkers and responsible global citizens

Box of Hope

Box of Hope is an annual charity project aimed at providing useful/educational gifts to underprivileged children in Hong Kong & Asia. The boxes are donated by Hong Kong school children and local organizations. ASHK has once again elected to participate in this annual drive. Parents and their children simply fill an old shoe box with a few personal hygiene items (i.e. bar of soap, tooth brush, face cloth) along with some NEW, INTERESTING and EDUCATIONAL gifts (i.e. puzzle, card game, skipping rope, toy, crayons etc.) and drop these off at school **during the week of November 5th - 9th.**

All ASHK students would have received by now a Box of Hope sticker which goes on the outside of the shoe box, offers a few ideas, and outlines information regarding contents and packing. We encourage all ASHK students to participate in this worthwhile charity event.

Terry Fox Hong Kong Run

Thanks to the many ASHK students and parents who have signed up for the Terry Fox Hong Kong Run. We remind those who are planning to attend to arrive at Renaissance College no later than 10:00 am tomorrow morning to register for your event.
