Children Should Be Seen and Heard!

Do you remember the saying, “children should be seen and not heard”? This old proverb got its roots in 15th century England. The saying literally implies that a child should not speak unless spoken to. I can remember my parents saying this repeatedly to me when I was a young girl. Typically, it was said to me when they had guests over and I wanted to sit in the room with them, or when my dad was watching one of his favorite TV shows and my sister or I spoke when it wasn’t a commercial break. I can even remember the teachers saying this at school when they were trying to impart their knowledge upon us. To raise our hands to ask a question or share our perspective unless asked to do so was unheard of. Heaven help us if we forgot to raise our hand before we spoke.

Could you imagine what our school would be like if this proverb was still the norm of the day? I can’t. At Southridge, we believe that our students should have the strongest and loudest voices when it comes to their learning. Right from Kindergarten all the way through Grade 12, our students are encouraged to ask questions, share their ideas or opinions, and discuss their learning in formal and informal ways. Our students are also the ones who give visitors to our school tours, and are out in full force to support our Open Houses because they love to be heard when it comes to sharing what a Southridge education means to them.

At our recent Junior School Open House, two of our Grade 7 students, Mya and Cooper, welcomed hundreds of visitors to our school. They spoke with such confidence and passion. Cooper shared that for him, “Southridge is a school I feel privileged to go to. We have great teachers who get to know each student, which means that they understand what we need to learn and grow.” Mya shared that for her, “Southridge truly is a place where every spirit soars, because here at school, the teachers will help us to pursue our dreams, and always put forward our best effort.” Cooper and Mya are but two of a school full of students who love to be heard. On Thursday night, our Senior School students will showcase our Grade 8-12 program at their Open House. I hope that all of our Grade 6 and 7 families will take the time to go hear from our Senior School students and faculty about what awaits them when they transition to Grade 8. Thank goodness that all Southridge students are encouraged to not only be seen, but also heard!

Remembrance Day Ceremonies – Friday, November 9, 2018

On Friday, November 9 our community will take pause to remember and honour those who have and continue to pave the path of freedom in our country and world. Grade 3-7 students will attend the full school Remembrance Day Ceremony in our Senior School gym from 10:15-11:15 am. K-2 students will have their own age-appropriate ceremony in the Junior School Great Hall from 10:45 am -11:15 am.

Remembrance Day Assembly – Please Do Not Leave Early

Please join the faculty, staff, and students of Grades 3 to 12 for our annual Remembrance Day Assembly, which will be held on Friday November 9 at 10:15 am. While the assembly is designed to be reflective in nature, it is also designed to be one that brings our community together to share our collective appreciation for the sacrifices that so many people made for the rights and freedoms we have become so accustomed to.

As such, if you are planning to attend our Remembrance Day Assembly, our expectation is that you stay for the duration of the event. Unlike other assemblies where parents sometimes need to “sneak away” after their children perform, I respectfully request that you do not do so during this special assembly.

Remembrance Day has a tradition of carrying significant weight at Southridge as we demonstrate and role model respectful behavior in our efforts to keep alive the sacrifices made by those who served Canada in times of war, armed conflict and peace keeping missions. Staying for the duration of the assembly is a strong sign that you join the faculty and staff in promoting an understanding of the significance of these efforts in Canadian life as we know it today.

Remembrance Day Observance – Monday, November 12, 2018

In observance of Remembrance Day on Sunday, November 11, the school will be closed on Monday, November 12. School will resume on Tuesday, November 13, 2018 at 8:00 am (no late arrival).

Food Friday Casual Day

On Friday the nineteenth of October we had a casual day that donated money towards the Sources South Surrey food bank. This food bank supports families in our community. Each student in the junior school was required to bring in a minimum of two dollars if they participated in the casual day. On this day we were able to donate just over four hundred and fifty dollars to help feed the people in need. We will continue to support Sources in the Junior School this year by continuing Food Friday's. Don't forget to bring in your non-perishable food items every Friday to help support those in need in our community.

Senior School Parent Teacher Interviews

Parent-teacher conferences are scheduled for Wednesday, November 14th, 2018. Please sign in to Pick-A-Time through the Parent Portal link, **no later than 4:00 p.m. Monday, November 13, 2018**. The link to the Portal is below:

[Pick a Time](#)

All parents are welcome to attend these conferences and we encourage your child to attend with you, as many parents find it beneficial to include their children in discussions of their academic progress. Interviews involving the student, parent(s) and teacher allow for input and ideas to be shared amongst all of those responsible for monitoring your child’s learning. Student participation in these interviews is in keeping with current best practices in education and helps students to become more aware of, and responsible for,

their own learning and to enable them to focus on setting improvement goals. Students who do attend the parent-teacher conferences must wear their school uniforms.

In order to manage the number of people in the gym and to ensure there are minimal wait times to see each teacher, we are asking parents to select an arrival time (at 30-minute intervals). We are assuming that a typical visit to the gym will be between 45 minutes to 1 hour in length which should allow parents time to meet with all of their child's teachers. **Please note that teachers will be taking a dinner break between 4:30 – 5:30 p.m. and will not be available for conferences during this time.**

We will be asking you to **please limit your discussion to five minutes**. If further discussion is required, Teacher Contact Request forms will be available for you to request a specific teacher to contact you. These forms will be available on each table and by the front entrance to the gym.

The table below provides further clarity of the times that you will be able to choose when you go to the Pick-A-Time link through the Parent Portal of the website.

Wednesday, November 14, 2018 – Afternoon 1:30 p.m. to 4:30 p.m.

1:30pm	2:00pm	2:30pm
3:00pm	3:30pm	4:00pm

Wednesday, January 2018 – Evening 5:30 p.m. to 8:00 p.m.

5:30pm	6:00pm	6:30pm	7:00pm	7:30pm
--------	--------	--------	--------	--------

The system will only allow you to sign up for one time slot, but we understand families have multiple children in the Senior School. Please just sign up one of your children's names, and we will assume you will be here to talk about all of your children. If a particular slot is full in Pick-A-Time, please choose an alternative time. If all the available slots are full at the times you are available, please call the Senior School Administrative Assistant, Lisa Byrom at 604-542-2340.

Senior School Feast Volunteers Needed

My name is Sandy Johal and I am coordinating volunteers for the Senior School Christmas Feast that is taking place on December 20, 2018 in the evening. The feast is a beautiful holiday event where the Senior School students are served a delicious dinner and entertained.

I am looking for many volunteers to help with set up, serve dinner, and clean up. We will need 15 volunteers to help set up at 8:30 am, 4 volunteers to help at 4:00 pm, 12 volunteers to serve dinner, 4 volunteers in the kitchen, 8 volunteers to make stuffing, 8 volunteers to make potatoes, and more. The stuffing and potato mixes will be handed out on the 17th to the volunteers to make at home and bring to school.

Please let me know if you are available to help. I already have many volunteers that are interested in helping for this event, however, we need many more. Once I receive a substantial number of volunteers, I will coordinate the placement of the volunteers.

Please sign up [online through Galaxy](#) under Senior School Operations.

Thank you for your time,

The Land of The Midnight Sun - Yukon Trip 2019

For the first time in our school's nearly 25 year history, a group of students will be heading to Canada's north for an experience that promises to be very memorable. At the end of June 2019, Mr. Mitchell and I will be taking 10 students to the Yukon for 10 days of service, adventure, history, and exploration. Perhaps I have chatted with you in the hallway about this trip at some point? Or, maybe you've picked up on my excitement about it through social media or Schoology? If not, I am here to tell you that I am indeed, very excited.

While in the Yukon our group will be doing a number of pretty neat things. The main focus however, will be to spend time in the Yukon community of [Carcross](#) (formerly Caribou Crossing) working with local indigenous youth from the Carcross-Tagish First Nation as volunteer members of their stewardship program and [Singletrack to Success](#) program. Our students will have the opportunity to volunteer alongside some incredible Yukon youth while they develop employable skills through hands-on experiences in

indigenous ethnobotany, remediation of a residential school site, trail building, and maintenance up on the now world famous Montana mountain, and more!

In July 2018, as part of a pre-trip scouting mission to the Yukon, Mr. Mitchell and I had the pleasure of working with a few of the young men from the Singletrack to Success program who are responsible for the construction of the mountain bike trails that now draw riders from around the world. Four of the main builders, Shane (aka “Wallyman”), Mackenzie, Jared, and Dominic took us up the mountain, then rode down with us, pointing out the trail features they spent thousands of hours (collectively) building over the past few summers.

The trails are *incredible*, and certainly comparable to anything you can find on the North Shore of Vancouver. The boys were proud of their work, and Mr. Mitchell and I could not believe the quality of their trails. Needless to say, our kids will be very fortunate to work with these fine youth this summer. Some of them will even get to maintain some of the very trails these fellas built up on sacred Montana mountain.

To ensure that we won't let them down when we arrive in July, Mr. Mitchell and I took our 10 student travelers up to Mt. Seymour for a day of instruction and hands on experience on Monday, November 5. We had the privilege and pleasure of taking part in the [North Shore Mountain Bike Association's Trail Academy](#), *and what a day we had!*

After a brief classroom session at the North Vancouver Community Centre, all 12 of us got right into the trail work on Mount Seymour. We moved mountains, literally! Under the careful instruction of NSMBA trail builder extraordinaire, Penny Deck, we focused our efforts on a 200-meter section of a popular trail called "Severed". We moved countless wheelbarrows of golden mineral soil (known on the North Shore simply as "gold") and laid it overtop of a surface that had been eroded by riders and rain. We filled out and buffed up berms with layers of rock and soil. We cleared puddles and built drainage infrastructure into the trail to avoid future pooling. We carefully repositioned ferns and logs in an attempt to discourage riders from making their own paths. When we were done, our section of trail was a mountain biker's dream. At the end of the day, we made our way down the mountain and back to the bus, all the while Mr. Mitchell and I drooling at the thought of riding the work our group had just completed.

I speak from experience when I say that days like these on the mountain, and trips like the one we're going to embark on this July, play a huge role in making Southridge the great school that it is. They offer our students opportunities for growth in areas that the classroom simply cannot. They teach our students about the importance of service to their local community, to their fellow Canadians, and to a larger global community. These experiences (away from the comforts and familiarity of home) help push our students out of their comfort zones, which as educators and parents, we understand is where the most personal growth takes place.

Our ten adventurous students (and their incredibly supportive families) have decided to do something exceptional. They will travel to a part of our country that very few Canadians ever make it to and will work alongside a group of young Canadians who offer a very different perspective and Canadian experience from their own. Through swapping stories, working side by side, and learning new skills with some pretty awesome Carcross-Tagish youth, our students will come out of this with an experience that will last a lifetime.

I won't go on much further but to say that after a day on Mount Seymour honing our trail building and trail maintenance skills, I am so looking forward to sharing this Yukon experience with our students. I thought you should know about it if you didn't already.

Perhaps I will have to write again before we depart. I didn't even make it to what we'll experience when we head 7 hours north of Carcross to visit the Yukon's famous Dawson City. With nearly 24 hours of daylight in July, we will have plenty of time to explore some Klondike Gold Rush history. We may even strike it rich panning for gold! We'll probably check in on Robert Service's famous cabin. Maybe we'll visit Jack London's former residence? Whatever we do, we'll definitely learn a thing or two about one of Canada's most historic cities before we head even further north for our hike in Tombstone Territorial Park. I can't wait to see the faces of our students when they round that corner of the Dempster Highway and set their eyes on tundra for the first time. But again, that's for another Wednesday article.

Thanks for reading!

Open House – Last chance to invite a friend!

A quick reminder that this week on Thursday is our Senior School Open House, which means it is one more chance to invite a potential student and their family to come and see what Southridge is all about.

Also, don't forget that our own Grade 6 and 7 students and their parents are invited to attend this event as guests – we want you to start getting excited about joining the Senior School in the very near future! Doors open at 6:00 pm and presentations (for both our prospective families and our own Southridge families) begin at 7:30 pm.

Surveys year over year tell us that our own Southridge families are the best way to spread the news, so we are counting on you one more time to make sure that Open House is a full house.

As always, thank you for your support.

2018 Parent Survey – Your feedback is important!

This week all parents should have received an email that included links to our 2018 Parent Survey. If you did not receive it, the links can be found below.

The questionnaire should take no more than fifteen minutes to complete. If there are any questions that you would prefer not to answer, please feel free to skip them. If you have more than one child enrolled at Southridge, and feel that your answers would differ for each, we encourage you to complete the form separately for each child.

Your honest appraisal is important to us, so your answers to the survey questions will be completely anonymous. Unless you wish to be identified, please do not identify yourself anywhere on the questionnaire. We have engaged a third-party consultant who specializes in surveys for independent schools, and he will process the raw results so that your anonymity is preserved. Feel free to tell us what you think we're doing right and also where we can improve. We intend to act on what we learn from the survey, and will share a summary report of the results.

The links below will take you directly to the online questionnaire. You only need to follow ONE link - they will each take you to identical online forms (if one appears slow to load, just click on another link).

Last Chance: Show YOUR Support for “The Heart of Us” Gala

To say we are overwhelmed with the response we've received to-date for ticket sales (another sold-out event!), sponsorship investments, and donated auction items, is an understatement. But with **just one week left to go**, **this is the last call to show YOUR support for “The Heart of Us” Gala** and contribute to the school's biggest fundraising event of the year!

The **auction item donation deadline has been extended to this FRIDAY at 4:00 pm**, so it's not too late to contribute a new item for guests to bid high and often on! The more items we have, the more money we'll raise for the school, so please [click here](#) for a donation form.

Items can be dropped off at Senior or Junior School reception, or, if you prefer for us to do the shopping for you, please contact Rebecca James at 604-542-2301 and we'll purchase a fun, much-needed item in your name – it's that easy!

Thanks also to everyone who has signed up to support this year's gala as a sponsor! Your generous financial support will go much further than one evening. **Sponsorship opportunities are still available**, but the deadline is also coming up fast (Friday, November 9th)! **If you wish to add your name to the list, please complete and return a [sponsorship form](#)** as soon as possible. You will receive a tax receipt for your contribution.

Finally, we **still need volunteers for the check-out tables at the end of the night, so please consider [volunteering](#)** for the 9:30 pm – 1:00 am (approx.) shift. No dress code is required – your time and help are all that we need!

Thank you, everyone, for making this one of our best gala's yet! The overwhelming response we've received from our families for this year's Gala is proof that students really are 'the heart' of Southridge.

Sincerely,

2018 Gala Committee

Schoology Update

Schoology will be getting a little bit of an upgrade on November 19th so your navigation might look slightly different when you log-in. The features and functionality will be the same but you will see a Card-View for your classes and groups. The menu bar will not have the Home option, but if you click the Southridge Icon, it will get you back to the news feed. The search icon has moved to the right-hand quick access toolbar along with a new quick link for your calendar.

The Schoology App will be updating later in the year – so no changes to this yet but I will let you know about them when they are available.

Southridge Café

Parents and students are reminded that there should be adequate funds in students' accounts before purchases are made in the cafeteria. If the student account is running low, please make a deposit into the account and any negative balance needs to be topped up as soon as possible. You can check your student account balance by logging onto www.mykidsspending.com or checking with the staff in the café.

To deposit funds into a student's account, parents need to log on to their My Kids Spending account and make a deposit via credit card or e-check. The credit card payment does have a service fee, but the e-check transfer does not. Alternatively, you can drop off a cheque payable to Southridge School or cash to the Senior School reception and ensure that the cheque or cash envelope includes the student name, ID number, and 'For Café' clearly marked.
