To the Applicant: Please answer the following questions. Your answers must be handwritten. It is important that your answers reflect your voice. If additional paper is used, please include your name at the top and attach it to this page.

In your own words how would you define leadership?

Describe a time when you were a leader at school.

Your class is busy with independent reading and there are five minutes left in the class. You have music class next. What would you do to help get ready for the next activity?
