Comments from Citizens:

Amy Hambley of Stonington asked if the information on the k-8 would be available prior to the Board of Education meeting on Thursday October 11. She stated that it would be good for people to be able to review the information prior to the meeting and have more knowledge prior to public comment. Dr. Riley stated that it would be attached to the agenda prior to the meeting. Dr. Riley clarified that it is not a vote taken by the Board of Education but that they will provide direction to the leadership team.

Board Goals and Direction for 2018-2019

The Board had discussion regarding 2018-2019 goals. The board decided to focus on 4 goal areas.

1. Improve student experience.
2. Improve communication within the district and the community.
3. Improve meaningful training and support to all employees.
4. Establish a structure and process for monitoring District/School climate, the climate wellness plan and the school improvement plans.

The Superintendent will format the Board Goals and bring them back to the Board for discussion and approval at the November Board meeting.
