Dear CDA Parents and Guardians

We invite you all to our Parent Center. We are located in room 429. We offer workshops throughout the school year, with effective parenting strategies, and information to help your student be successful in school and in life.

Parental Engagement is the key to your child's success. We need Parent Volunteers daily. Your time and services are needed before, during and after school. Remember, student success is directly linked to parental involvement. Please stop by the Parent Center to sign up.
