

Principal Message, 9 November 2018

Hello Columbia Families,

I'm just giving a reminder about Veterans Day and the student assembly on Monday (Nov. 12). We hope veterans who are associated with our students and school staff will attend. Even though seating will likely be limited, we welcome those family members who come with their veteran to attend. Since this assembly will happen during school hours, it is necessary for all visitors to check in. You may expedite your check in process if you have your admit ticket completed ahead of time and your ID ready. The expedited admit ticket is attached to this message.

We expect the assembly to begin at 9:15. We encourage everyone to wear patriotic colors. If there are any scouts in the company, they are encouraged to wear their scout uniforms. The 6<sup>th</sup> graders in uniform may be asked to be flag bearers.

Parents, I encourage you to talk with your child after school on Monday about the importance of patriotism, the sacrifice for our freedoms, and appreciation for our veterans. These are values that we cannot afford to lose.

Thank you,

Mr. Denhalter, Principal
