Re: Expedited Local Partnership Program

Dear Superintendent:

Please accept this as formal notification of your eligibility to participate in the Expedited Local Partnership Program (ELPP).

To better fulfill our administrative responsibilities; we have assembled regional teams of professionals in order to assist the Ohio School Facilities Commission (OSFC) in the management of this program. The Regional Program Consultant assigned to assist your district is:

Resource International Inc.
6350 Presidential Gateway
Columbus, Ohio 43231

Contact: Paul Brown
Phone: 614.823.4949

Email: paulb@resourceinternational.com

While the OSFC staff is available, we encourage all questions concerning the ELPP be directed to your Regional Program Consultant. Paul Brown has a clear understanding of the program procedures and is well equipped to guide you through the program requirements. Your Regional Program Consultant will be contacting you in the next few days to discuss a schedule for assessment and provide you with any information and materials you may need.

We have enclosed a copy of the *Program Guidelines*. You may also find these items and other ELPP forms and information at our website <http://ofcc.ohio.gov/>. Any updates or revisions to the program information will be immediately transferred to the Regional Program Consultants as well as posted to the website.

We look forward to working with you to ensure your district's successful participation in the program.

Sincerely,

OHIO SCHOOL FACILITIES COMMISSION
