TECH THE HALLS AUCTION

Please visit the link below to bid on one of our amazing auction items.

Many thanks to our generous business partners (found on the last page of the Stampede) who donated items and services for the auction.

Technology at Snow Horse is used to ENHANCE learning, not replace existing best practices that includes teacher instruction.

D - DELIBERATE: Teachers carefully select the best digital resources to enhance and personalize student learning. They carefully plan how and when to insert technology into their instruction.

R- REGULATED: Teachers carefully regulate the amount of time students spend on a digital devices to ensure a balance with peer interaction and whole group instruction.

I- INNOVATIVE: Technology is creatively used to promote engagement and check for levels of understanding from ALL students. It provides teachers with immediate feedback regarding student understanding and progress. Among the others uses are—group problem solving and authentic writing practice. Mobile laptop labs provide writing practice that mirrors real-life writing.

P- PERSONALIZED: Quality adaptive software frees up teachers to target individual needs of students in a small group setting, while other students receive meaningful, personalized practice through adaptive software.

Traditionally, all students worked on the same practice page at the same time and pace. Adaptive (personalized) software, when appropriate, replaces worksheet practice and offers immediate feedback to students and teachers.

Book Battles

Book Battle registration is ongoing. Your student can pick up a form in the library or from Mrs. Leu's webpage.

If you tried to put your payment on-line in My DSD earlier and were not able to, there was a technical problem. You can now go in and pay for your student.

We still need volunteers to help with the Friday meetings. Please go here to sign-up for the days you can help: <https://docs.google.com/spreadsheets/>

Change Your Words, Change your Mindset—Snow Horse Students Have a Growth Mindset.

School-wide we've been focusing on growth mindset. Here are some phrases that students hear at school and are also helpful to use at home.

Instead of "This is too hard." - "This may take some time and effort"

Instead of "I'm not good at this." - "What am I missing?"

Instead of "I'll never be as smart as her." - "I'm going to figure out what she does and try it."

Please help us raise money for Snow Horse Elementary by *attaching your Smith's Fresh Values Card to Snow Horse Elementary.*
