SNAP: Text Description:

- If you live near N. Bridge Creek Ln, or Westside Dr, walk south toward Weaver Lane. Turn east on Weaver Lane. Stay on the north side of the road until you get to the school.
- If you live near S. Bridge Creek Ln, Parkside, Rock Bridge, or Bridge View, walk north toward Weaver Lane. Turn east on Weaver Lane. Stay on the south side of Weaver Lane until you come to the cross walk and cross with the crossing guard.
- If you live near 700 West or E Weaver Lane, walk toward Layton Parkway. Stay on the north side of the road and walk to Angel Street. Use the crossing guard to cross west on Angel Street and south on Layton Parkway. Stay on the south side of Layton Parkway until you get to Arbor Way. Cross at Arbor Way and stay on the west side of Arbor until you get to the school.
- If you live near 650 So, 600 So, 550 So, 450 So, 400 So, 350 So, 275 So, 225 So, 150 So, or 75 So, walk west towards Angel Street. Turn south and stay on the east side of Angel Street until you reach the crossing guard at Layton Parkway. Head west across Angel Street with the crossing guard. Then head South across Layton Parkway and stay on the south side of Layton Parkway until you get to Arbor Lane. Head west to cross Arbor Lane and stay on the West side of Arbor Lane until you get to the school.

- If you live on the west side of Angel Street at 1375 west, 500 south, or about 475 south walk east to Angel Street and head south. Stay on the west side as you are heading south. Use crossing guards to cross Layton Parkway. Stay on the south side of Layton Parkway until you cross west at Arbor Lane. Then walk on the West side of Arbor until you get to the school.
- If you live north of Weaver Lane near Bridgecreek Lane, Timbercreek Lane, or Boulder Creek Lane, walk west toward Bridgecreek Lane. Turn east on Weaver Lane. Stay on the north side of the road until you get to the school. You may also head east to Arbor Way. Stay on the west side of the road until you get to the school.
- If you live west of Angel Street between 500 south and Layton Parkway, head east or west on Layton Parkway and cross with the cross guards on Pebble Brook Lane. Then head south on Pebble Brook Lane until you reach Timber Creek Lane. Head east on Timber Creek Lane until you reach Arbor Way. Follow Arbor Way until you reach the school.
- If you live on Evergreen, Sugar Pine Dr., Spruce Cir., Foxtail Dr. and White Pine Dr., walk on the north side of Layton Parkway until you reach Pebble Brook Lane where you will cross the street with the crossing guards. You will then head south on Pebble Brook Lane until you reach Timber Creek Lane. You will then walk east on Timber Creek Lane until you reach Arbor Way. Follow Arbor way south until you reach the school.
- If you live in the west division of Hill Farms walk to Angel Street and walk on the west side of the street until you access the bike path just north of 600 North. You will follow the bike path and exit at Stonecreek. You will then head west on the south side of Weaver until you reach the crosswalk to safely cross the street to get to the school.
- If you live in the east division of Hill Farms walk west on Phillips Street until you reach Angel. You will then head north on Angel on the east side of the street until you reach the crosswalk at Weaver with flashing lights. You will then cross Angel Street and walk west on Weaver until you get to the school.
- We recommend that Kaysville City and Layton City provide sidewalks on the east and west side of Angel Street starting from 200 North to Weaver Lane.

Safe Walking Route and the Rules:

- Students should walk in groups on sidewalks provided.
- Students should use caution whenever crossing the streets.
- Students should always obey the instructions of the crossing guard.
- Parents are invited to walk to school with their children and be familiar with the safest walking route.
