- Model respectful behavior when dealing with staff and students

Program Standards

- Program standards for the Mankato Area Public Schools ACES program are adopted from the guidelines developed by the Minnesota Department of Education which have been reviewed and approved by District 77 and the Board of Education.
- ACES is committed to staffing the program with qualified and caring staff. To ensure the safety of the children in the ACES program, all staff must pass a criminal and child protection background check and complete CPR & First Aid training.
- The staff/child ratio that each site strives to maintain is 1:15 for school age children (5-12 years old). These ratios are set by the State of Minnesota Department of Welfare and the Minnesota Department of Children, Families and Learning along with the National School-Age Care Association.

Personal Property

Children are able to bring items from home to ACES with parent permission. If these items become an issue, the staff will hold them and return when parent arrives. ACES is not responsible for lost, stolen or damaged items.

Parent/Guardian Grievance Procedure

If you have a grievance or a concern, please follow the procedures below:

1. Immediately setup a time for a conference/meeting to discuss the concern or issue with the staff person involved and the Site Supervisor for that site.
2. If it is still not resolved, please contact the ACES Program Coordinator to discuss the grievance.
3. If it is still not resolved, please contact the Director of Community Education & Recreation to discuss the grievance.

**Please submit all grievances in writing, as well as verbally.*

Suspension from School

If a child is suspended from school or sent home by a school staff member, they may not attend ACES. Children who are suspended are not allowed to be in/on School District property. Charges for child care will remain in effect as scheduled by your contract.

Child Abuse & Neglect

Under Minnesota State Law, all professional staff who work with children are required to report all suspected physical emotional, sexual abuse or neglect of children to the authorities.

Behavior Management & Inclusion Policies

Accommodations

ACES welcomes individuals of all abilities. The program will provide reasonable accommodations if needed, to make physical and social integration successful.

Upon notification of need, ACES will gather information from the child's family and school in order to determine what accommodations should be provided. When appropriate, accommodations being used during the school day can be carried over into ACES, providing consistency for the child. The information provided by the family and school will be used to plan for the child's success and inclusion in the program. The child's start date may be dependent on the implementation of these accommodations.

Behavior Management Policy

It is the goal of the ACES Program to provide a safe, caring, and nurturing environment for all children and staff. Consistent efforts will be made to meet the needs of the children and their parent/guardians. ACES staff will use praise and positive teaching techniques/strategies to encourage appropriate behavior. Staff will also work collaboratively with the parents/guardians and school personnel to problem solve solutions to any developing concerns. Parents/guardians will be expected to work with ACES staff to encourage appropriate behavior and the learning of new skills.

Child Guidance

ACES utilizes the same standards and terminology of the PBIS system that the Mankato Area Public Schools adhere to. We have the same expectations of the students to ensure their success. Key techniques include: positive reinforcement, positive role modeling, intervention techniques and redirection. The students are expected to be responsible, be respectful, be safe, and do their best!

Staff Expectations

Staff are expected to uphold the ground rules of ACES and will work to provide an environment that seeks to enhance and support each child's emotional, social, intellectual, and physical development.

ACES strives to establish and maintain a behavior guidelines system that reinforces positive behaviors. We will do this through positive staff interaction, consistent guidelines and appropriate consequences.

Discipline techniques used may include verbal prompts, encouragement, and redirection. Staff will attempt to discuss the situation with the child and, if deemed necessary, a consequence will be determined. In some instances, the child may be removed from the situation. Parents/guardians may be called to discuss the situation further. Certain inappropriate behaviors may require additional attention such as a meeting with parents/guardians and staff, and/or a Behavior Report. Behavior having a high frequency, duration, or intensity may result in suspension/dismissal from the program. These behaviors may include, but are not limited to:

Children Expectations

Children will abide by the policies of behavior management established by ACES. Basic expectations for children will include:

- Respect authority and follow directions
- Follow program rules
- Respect the rights of others
- Respect property
- Display appropriate social skills
- Be responsible for their actions

Behavior Management & Inclusion Policies...Continued

- Intentionally hurting/endangering others or self (physically or emotionally)
- Leaving the designated program area, group, or building without permission
- Running from staff
- Stealing or vandalism to school or personal property
- Repeatedly disrespecting staff or other children
- Exhibiting behavior that could be characterized as harassment or bullying
- Inappropriate language, songs or jokes including swearing, teasing, references to drugs, alcohol, abuse, racism, gender, bias, weapons, etc.
- Any threatening language or behavior that is directed towards another child or staff member in the program
- Possessing illegal substances or weapons
- Any behavior that interferes with other children's ability to take-part in program activities and/or events

Depending on the severity of the behavior, the parent/ guardian may need to immediately pick up the child following/during the incident. Parents may be required to pick up their child within 30 minutes if the situation warrants. If the child is not picked up within 30 minutes, care will be suspended for the following day (fees will still be charged).

If behaviors continue or escalate, the child may be suspended from the program for 1-5 days depending on the severity and/or frequency of behavior (fees will still be charged). A parent meeting may be required before the child can return to the program.

Dismissal from the Program

Failure to comply with the terms of the ACES Handbook may result in termination of childcare services. If dismissal from the program occurs, charges will cease with the last date of service, and alternate care must be found immediately, as the child will not be allowed to return to the program.

This Behavior Report Policy is inclusive of all ACES Program options including Summer and School Year Programs, as well as Non-school Days. Behavior Reports accumulate consecutively throughout these program options. As an example, Behavior Reports received in the School Year Program carry over into the Summer Program and so forth. After one (1) full calendar year of absence from the program following, a child may be considered for re-entry into the program if the following criteria are met:

1. A goal-setting meeting with parents/guardians and staff will be scheduled to discuss improvements in the child's behavior that may need to occur that will allow for a successful return to the program.
2. The parents/guardians understand that the receipt of one (1) Behavior Report may constitute immediate dismissal from the program with no remaining chances for return.
3. All outstanding fees have been cleared from the parent/guardian account.

Registration and Enrollment

In order to participate in the School Year ACES program, a new contract must be completed for any child needing care for the 2018-19 school year session. Registrations will be accepted on a first come, first serve basis, until the site's maximum capacity has been reached. If the site you choose is full, you will be notified by the ACES Billing Office and your child(ren)'s name will be added to the waiting list. Please see the ACES home page for specific registration dates and deadlines. Registration materials and instructions are available on the ACES home page at www.mankatocer.com.

Mankato Area Public Schools Community Education & Recreation (CER) contracts with software providers to securely collect and maintain registration information. Data you provide is used only for the purposes of administering CER programs. This information is considered private and will be kept confidential, between CER and the registered account owner/payer. (Accounts can have multiple owners/payers.)

Two Ways to Register:

Enrollment Requirements:

- Children in Kindergarten through 5th grade, who attend Mankato Area Public Schools, may register for our school year program.
- ACES does not provide transportation between schools. Children can only attend the program at the school in which they are enrolled.
- Morning care is not guaranteed as we must have a minimum of 10 students registered.
- Each family must pay a \$30.00 registration fee at time of registration.
 - This fee is non-refundable if care is canceled after the August 24, 2018 registration deadline.

- Outstanding accounts with unpaid balances will not be able to register for the next session. Children must be toilet trained and able to use the bathroom on their own.
- ACES is not designed to provide 1:1 assistance for students. If you indicated that your child has special considerations a meeting may be required before your child's start date to determine the appropriate level of support needed. Information regarding a child's needs will not be used to prohibit their enrollment in the ACES Program, unless it is determined they will need significant assistance beyond our program capabilities. See page 12 for more information.

Families who are registered for a particular season, will have priority registration for the following season. Families must re-register every season to secure their spot in the program. Care does not carry over from one season to the next, nor is care guaranteed from season to season.

Contract Changes & Withdrawals

Contracts will remain in effect for the duration of the school year unless a Contract Change form is submitted to the ACES Billing Office. Verbal notification is NOT sufficient. Contract Change forms may be found on the ACES website at www.mankatocer.com or at the ACES Billing Office. The first contract change is free; a \$15.00 fee will be charged to your account for any additional changes.

When to fill out a Contract Change form:

You need to switch days attended each week
You need to add or subtract the number of days attended each week
You need to move to a different type of contract (ie. move from Consistent care to Drop-In care)
You need to withdraw from the program

Where to fill out a Contract Change form:

A contract change request can be completed online through your ACES account or in paper via the Contract Change Form. To complete the request online, you'll login to your ACES account, click on your ACES account found on the Dashboard and choose your child's current contract. On the contract screen there will be a "Change Schedule" button and this will allow you to modify your child's current contract. The paper form can be found on our Mankato Community & Education website at www.mankatocer.com. This form can be printed and sent back to our ACES Billing Office or it can be filled out on the computer and submitted electronically.

Contract Changes:

Completed Contract Change forms must be submitted to the ACES Billing Office; changes will go into effect two (2) weeks from the day received. Verbal notification is NOT sufficient. Changes involving additional care can be accepted only if space is available. You are responsible for tuition based on the current contract until the change goes into effect.

Day Swapping:

Contracted days can not be changed without submitting a Contract Change form. Consistent Care contracts are consistent schedules of the same days, every week for the entire school year. Pick Your Day contracts must be submitted by the 15th of the month prior and changes are final after the 1st of the month. If your schedule has abruptly changed (ie. need to send your child on a non scheduled Monday instead of your regularly scheduled Tuesday) ACES cannot switch dates of contracted care due to staffing, planned activities and student accountability. For these immediate, unexpected schedule changes, ACES offers Drop In Care. Unfortunately, we are unable to give refunds for these immediate schedule changes

Withdrawal from the Program:

Parents/guardians planning to withdraw their child from the ACES Program may do so at any time; however, notice must be given in writing per the Contract Change form to the ACES Billing Office two weeks prior to the last date of attendance. Tuition will be charged for two weeks from the date of notification. A withdrawal can be submitted through your online account under "Withdraw Contract" for consistent contracts. All other withdrawal requests must be made using the Contract Change form.

Vacation Days & Absences

Parents are responsible for time reserved, not time used but we can give credit for days not attending if proper notice is given. To request a vacation day, a Vacation Request Form must be completed and submitted to our ACES Billing Office. Verbal notification is NOT sufficient. Contract Change forms may be found on the ACES Forms page at www.mankatocer.com or at the ACES Billing Office.

Vacation Day Credits

To receive credit for a day that your child will not attend ACES, you must notify the ACES Billing Office in writing, per the Vacation Request form, *5 business days in advance*. The forms are available online and at the ACES Billing Office. Credits will only be given to accounts that are current. Vacation days expire on the last day of the session and cannot be carried over to the next session. If you previously requested a vacation day and your child attends ACES on that date, you will be charged the drop-in rate.

How Many Vacation Days?

The number of vacation days allowed depends upon a child's contract. Vacation days are per child and can not be shared between siblings. The below table illustrates the number of days each contract type receives.

School Year Vacation Credits	
Contract Type	# of Vacation Days
Consistent Care	10 days/school year
Pick Your Days Care	5 days/school year
Drop-In Care	None

Absence

Notify your ACES site by phone or email if your child will be absent at any time for any reason. School offices do not automatically provide us with absence information. If your child does not arrive after school as expected, program staff will investigate immediately by attempting to contact you or your child's emergency contacts. Due to the amount of time involved in trying to find children when staff have not been notified of their absence, a \$15 Finder's Fee may be assessed. Tuition is not refunded for sick days or other absences. If an illness extends beyond one week, contact the ACES Billing Office. Credit will be given if a medical certificate is provided from a physician indicating the extended absence was due to illness. *Parents are responsible for paying for time RESERVED, not time used.*

Family Emergencies

In case of family emergency, please contact the ACES Billing Office so tuition credit may be given. This is determined on a case by case basis and must be approved by the Program Coordinator.

Emergency Info & Medication Policy

Emergency Contact Information

Please keep your child's emergency contact information current. When adding authorized pickup contacts to your account, a daytime phone number and the relationship to the child must be included. This can be done on your online account by calling the ACES Billing Office or on-site with the Site Supervisor's assistance.

Accidents

Parents/guardians will be informed by telephone or in person of accidents involving their child during ACES. Children are encouraged to tell a staff member immediately if they are hurt or experiencing discomfort.

- If a child incurs a **minor injury**, staff will administer basic first aid (clean injury, secure bandage and/or apply ice pack) and inform the parent/guardian of the incident when they pick up the child.
- If a child incurs an **injury which may require further medical attention**, staff will contact the parent/guardian immediately so that the child may receive necessary medical treatment and complete an injury/incident report. This would include lacerations, sprains, fractures and head injuries, unless it would be classified as an emergency.
- In an **emergency** when immediate medical attention is needed, or an incident is perceived by staff to be life threatening, staff will call 911 and then immediately contact the parent/guardian. When the ambulance arrives, emergency personnel will determine the appropriate course of action. If the child requires emergency medical treatment, s/he will be taken to the nearest available medical facility. The parent/guardian will be responsible for all medical charges.

Insurance

ACES does not carry accident or health insurance for the children. Parents are responsible for the insurance and health coverage on their children.

Medication Policy

District policy regarding the dispensing of medication must be followed. A Consent Form for Administration of Medication must be completed each school year before any medication (over the counter or prescription) can be stored and dispensed. Prescription medication requires written physician orders. All medication must be in its original container. Expired medications will not be accepted or kept. Medication forms are available at the ACES Billing Office, online and at your ACES site. Return completed forms to your ACES site or the ACES Billing Office.

Transfer of Medication

Site staff are not responsible for the transfer of medication between sites. Parents are responsible for bringing their child's medication to and from their ACES school year site and non school day site.

Health Forms

Other health forms may be required based upon information given at the time of registration. These forms can be found on our website at www.mankatocer.com.

- Allergy/Severe Allergy: Allergy Emergency Plan Form
- Asthma or RAD: Asthma-RAD Plan Form
- Seizures: Seizure Emergency Plan Form

The Community Education & Recreation RN will be accessing your child's health plan through the school district. For your convenience, we will only need the updated forms once/year instead of each session, unless any changes to your child's health plan occurs.

Illness & Inclement Weather Policies

Illness Policy

Please do not bring children to ACES who have experienced a fever, nausea/vomiting, diarrhea or indicate any other type of illness at home. Bringing a sick child to ACES results in further inconvenience to the parent/guardian who must return to pick up the child, possible exposure of illness to other children/staff, and a general uneasiness for the sick child. School district policy requires that children be symptom free for at least 24 hours without fever reducing medicine before returning to school. ACES follows and enforces the same policy.

If a child becomes ill while attending ACES, we will isolate and supervise the child to prevent the spread of illness. We will contact the parent/guardian immediately to arrange for pick up. If a parent/guardian cannot be reached, the child's authorized pick up contacts will be notified to pick up the child. ACES will post or give notice to parents/guardians of an exposed child the same day the program is notified of a child's contagious reportable disease specified in Minnesota Rules, part 4605.7040, or scabies, impetigo, ringworm, or chicken pox.

Please contact us if your child has been diagnosed with the following conditions:

- **Vomiting, Diarrhea:** May return 24 hours after their last episode
- **Fever of greater than 100°F:** May return 24 hours after being fever free without the use of medication
- **Impetigo, Strep Throat, Conjunctivitis (pink eye), Ringworm:** May return 24 hours after treatment
- **Chicken Pox, Shingles:** May return after all blisters have dried and crusted
- **Head Lice:** Parents will be notified and pick up is at the parent's discretion. Staff will try their best to keep the child separate from the group for the remainder of the day.

Safety Policies

Signing In & Out

In order for us to accept legal responsibility for your child, you or an adult from your authorized pick up list must bring your child to the ACES room and sign them in and out every day. This policy is designed to protect your child. Children will not be allowed to leave the site on their own, whether to walk to a parent in a waiting car or walk home on their own.

Authorized Pick-Up List

Your child will only be released to people listed on their Authorized Pick-Up List. In an emergency, you may call to inform the staff if someone other than an authorized person will pick up your child. ACES staff are required to ask for identification from anyone attempting to pick up a child. If an unauthorized person attempts to pick up, you will be contacted. If you cannot be reached, your child will be held until you or an emergency contact person arrives. You may add or remove any person from your authorized pick up list by contacting the ACES Billing Office, adding them through your online account under the “Manage Authorized Pickups” button or through the on-site iPad attendance app with the assistance of the Site Supervisor. If a sibling is sent to pick up a child, they must be at least 16 years of age AND listed on the authorized pick-up list. Anyone under 16 needs approval from the Program Coordinator and a waiver must be signed by the parent.

Procedure for Late Parent Pick Up

The ACES program closes at 6:00 pm. Should a child remain at ACES after the closing time, the staff will notify persons listed on your authorized pick-up list. Should none of these people be available or able to come for the child, and if the parent has not arrived within a half hour of closing, the local authorities will be called. The child will then be turned over into their custody. If a child is picked up after the 6:00 pm closing time, parents will be subject to a \$1 per minute fee. Continued late pick ups may result in removal from the program.
