**REACH FOR THE STARS**

**Did you know...**

Natalie Hunter has created an informative website for our upcoming school play, *Mary Poppins, Jr.*? Please visit the site at: <http://www.readingmusical.com/> this week has been **National Educator Support Professional's Day**? All Reading Wranglers (both teachers and students) appreciate the classified employees of Davis School District! We are transported, supported and fed by you. We are immersed in technology, receive medical care and have a clean and safe school because of your dedication and caring. Your hard work is noticed and appreciated and you're loved those you serve. **THANKS!** **our Mindfulness lessons have begun schoolwide?** Ask your student what she's learning about mindful breathing and mindful sitting.

**PART TWO OF THREE...**

**"Emergency Guidelines for Parents and Guardians"**  
**WHAT TO KNOW DURING A SCHOOL EMERGENCY**

**TRUST IS CRITICAL!** Trust that during an emergency our first priority is to do what is needed to protect students, then convey that to parents as quickly as possible when we have full and accurate information. Trust that staff and students are prepared for emergency situations. Schools participate in emergency drills throughout the year, and staff and emergency responders know the best procedures for keeping students safe. The district and police departments both recommend you NOT call the school or rush to the site. Phone lines, first responders, school personnel and local roads are needed for emergency response efforts. Also, please do not phone or text your child in the midst of an emergency. The noise of cell phones and phone conversations may put your child in danger. Students need to be paying attention to the instructions from trained staff. Conflicting instructions from parents may put a child's safety at risk.

**WAYS TO STAY INFORMED:** Check any of the official outlets for updates. The most up-to-date information will be on district and school websites, Facebook and Twitter.
