### Student Agreement

I understand that Internet access is a privilege, not a right. After reading the Board Policy No. 815, Acceptable Use of the Internet, Computer, and Network Resources, I understand and will abide by the School District of Haverford Township Internet Use Guidelines. I also understand that my failure to comply with the above guidelines can result in loss of Computer privileges as well as more serious disciplinary and/or legal action.

I have read and understand the Board Policy No. 815, Acceptable Use of the Internet, Computer, and Network Resources. I also understand that this access is designed for education purposes and that school personnel will make every effort to properly supervise my child's use of network services. I understand that since it is technically impossible for The School District of Haverford Township to restrict access to ALL controversial materials, I will not hold them responsible for any materials acquired on the network. I hereby give permission for my child to have Internet access.
