

Creating an Account for Student Registration

The screenshot shows a web interface with two main sections: "Sign In" and "Create Account". The "Sign In" section includes fields for "Email Address" and "Password", a "Remember me on this computer" checkbox, a "Sign In" button, and links for "Forgot password?" and "Sign into your account using your cell phone number.". The "Create Account" section includes a list of benefits: "Complete forms online", "Save and return to forms in progress", and "Print form history", followed by a "Create Account" button. A red arrow points from the text "Click Here to create an account the first time you access the site." to the "Create Account" button.

Below are the fields you will need to complete to create an account

The "Create an Account" form contains the following fields and instructions:

- Profile**
 - First Name**: Text input field.
 - Last Name**: Text input field.
 - Daytime Phone**: Text input field with the instruction: "Used to provide support, if requested. Enter entire number, including area code."
 - Email Address**: Text input field with the instruction: "Used for sign in and important communication."

Annotations with red arrows:

- Two arrows point to the "First Name" and "Last Name" fields with the text: "Enter your name here, not your student's".
- One arrow points to the "Email Address" field with the text: "This will be your username".

Security questions will be used to verify your account in the event you ever need to recover your password. It is important that you take the time to answer them correctly in case you forget your password.

1. Please answer the questions relative to the **adult account holder** listed.

2. Please choose questions which are easily remembered or retrievable.

3. **HINT:** It is helpful to choose questions which will only have a **single** memorable answer.

Once you have clicked Create Account, you will be taken to the dashboard where you can start your Student's registration.
