A Well-Seasoned Welcome

The start of this school year has been one to remember for all of us in the kitchen at Southridge.

A new school family, a new kitchen, and new staff and it all had to be ready to go in 8 weeks! The first few days were a blur of excitement. I don't know who was more excited to be here, the Sage Dining kitchen staff or the Southridge school community. I do know that we were looking forward to meeting everyone and serving delicious food right from the start.

The Board of Governors breakfast was our first introduction into the school community. It was an event that we were looking forward to as it was finally time to put the wonderfully renovated kitchen to use. The staff and the board members were very friendly and open, they made us feel welcome right away.

ISSUE #12

Next up were the students. We had a few seniors come in from time to time, trying to grab a sneak peek. We loved the visits and the questions. As you can imagine the first few days were a blur of smells, flavours, and also a decent amount of nerves from all of us in the kitchen.

We had an overwhelmingly positive response from the students. We were in awe and even Paco Rodriguez, the President of Sage Dining Services, could not believe the smiles and comments that he heard. The comment board was full with compliments and encouragements every day.

It is now November and the smiles are still there. We are getting into the routines with the kids and staff. From early morning practices, a breakfast before class, a smoothie before a morning meeting, lunch service, or a quick dance party with the kids in after school clubs, life is never dull at the Southridge Café.

We have been so welcomed by your community and it is a privilege to be able to provide you all with delicious and healthy food during the school week. Thank you and we can't wait to see you in the cafeteria.

Enjoy your meal!

Gary Reimer
Director of Food Services

Grade 6 and 7 Arts Day in the City

This past Friday, all Grade six and seven students had the chance to experience our fourth annual Arts Day in the City! The students and their teachers travelled to the Orpheum Theatre to listen to a beautiful concert by the Vancouver Symphony Orchestra. This concert was entitled "The VSO's Greatest Hits" and featured a wonderful program of classical favourites, including selections by Beethoven, Mozart, Tchaikovsky, Rossini, and Wagner.

The students then had the chance to visit the Vancouver Art Gallery. Three excellent exhibitions are currently being featured, one of which is a collection of exceptional work selected by a former curator of the VAG and one of which is a collection of work by Sioux artist Dana Claxton. The highlight for many students was the "Couture Beyond" exhibit, featuring amazing fashion designs by Chinese artist Guo Pei—a perfect connection to a Grade 6 Design unit.

It was a memorable and inspiring arts-filled day, and we are very fortunate that it is a tradition here at Southridge!

Thank you to all members of our school community for their continued support of celebrating the arts in action. We look forward to celebrating the fifth annual Arts Day in the City with you next November!

Dr. Kevin Bespflug (MYP Music Teacher) and Ms. Jackie Janzen (MYP Visual Arts Teacher)

A Time to...

- **Thank the generous Junior School Library Parent-Volunteers**

All the K to Grade 7 students and Mrs. Camp are incredibly grateful to all the parent library volunteers who generously gift their time to support each user's literacy and learning needs, questions, purchases, processing, shelving, organizing and so much more. You are much appreciated!

- **A Time to Celebrate our newly refurbished Junior School Library**

A huge thank you to all the golfers, parent-volunteers, donors and behind-the-scenes people who so generously devoted their time, financial, and community support for the golfing event that funded the Junior School Library's new look. The students are loving 'wondering and wandering' in their newly refurbished reading and literacy learning space. Mrs. Camp even more so!

- **Enchanted Forest Scholastic Book Fair in the Jr. Great Hall**

Wednesday, November 21 from 2:00 to 4:00pm

Thursday, November 22 and **Friday, November 23**

7:45 to 9:00 am/LUNCH RECESS/2:00 to 4:00 pm

**All purchases benefit the Chapter Book section, and adding newly published books to the Junior School Library*

- **The Sport of Reading: BC Kids Lit Quiz Competition on Thursday, November 29th in Vancouver**

**Southridge Junior School will have 3 Teams competing at this event, which is for Grade 6 and 7 only*

- **The Gift of Reading for our Avid Readers**

We are an enthusiastic reading community! Giving your child the ***Gift of Time*** to read together, to visit the Public Library, to enjoy a shared time in a bookstore, to have an opportunity to read for 20 to 30 minutes a day, to visit the Enchanted Forest Scholastic Book Fair all inspire our students to become lifelong readers!

**We often ask why we place such an emphasis on reading at least 20 minutes a day. The simple reply is that it results in reading 1,800,000 per year, which in turn builds vocabulary, depth of comprehension, and consistently scoring at a 90th percentile when doing an AR quiz. Keep reading!*

In gratitude,

Mrs. Mariaan Camp.

Senior Swim Team Sets New Records at Provincials

Our senior swim team raced very successfully last Friday and Saturday at Watermania. The girls placed 3rd of 76 schools who had swimmers advance to Saturday's finals. The boys (who were fewer) placed 16th out of 62 schools in the finals. Here are some of the highlights:

- Stephanie, Lizzie, Cindy and Emma won the open girls 4x50 free relay and beat Southridge's record set by Katherine Toy, Stephanie, Cindy and Isabelle Lei in 2016 to set a new record.
- Lauren Toy set a new provincial record in her 50 m breaststroke to win that event.
- Emma also set a provincial record to win the B girls 100m IM event.

There were only 10 records set at the meet and our swimmers broke 3 of them!

- Stephanie, Lauren, Cindy and Emma placed third in the open girls medley relay after putting up a good fight to try to beat the second place team.
- Stephanie, Lizzie, Cindy and Emma placed second in the open girls 4x100 free relay - by 9/100 of a second...Almost, next time:)

- Jun, Stephanie, Lizzie and Kaijia placed 4th in the open mixed free relay. Of note in this event is that Kaijia swam a 24.9 secs 50m freestyle which is his personal best and likely the fastest any Southridge swimmer has ever gone at a provincial championship.
- Kevin, Malcolm, Jun and Kaijia placed fifth in the open boys free relay after giving it 150% effort. They swam some great times!
- Madeleine S, Lauren, Malcolm in Jun place fifth in the B mixed medley relay.
- Mia, Brighe, Isabel H, Sunny Yang, Joe Bird, Keith Christofferson and Yik Fung also competed in various relays some of which placed in the top ten.

A special thanks to Brighe Buxton for filling in for Madeleine Scarth who was not feeling well. We also really appreciate the help of all of our grads who helped us through a very busy swim season by helping to gather relays and keeping our team together.

Thank you very much also to Dr. Ruby Chan (Lauren's mom) and Rachel Lawson for volunteering as stroke and turn officials at this year's championships. It was an exciting couple of days at the pool and we are looking forward to a new swim season in the fall of 2019. Well done, everyone!

Both Schools

Saturday, November 17th

Thank You to our Community for Supporting “The Heart of Us”!

Thanks again to all our generous families and friends who contributed to “**The Heart of Us**” Gala held on Saturday – it was a truly wonderful event!

We once again had an **early sell-out with 334 guests** in attendance and good representation from each class. Thank you to everyone who attended in support of our school – bidding high and often on auction items, playing ‘Heads or Tails’, purchasing raffle tickets and creating an energetic buzz in the room – it was such a fun and memorable evening!

The **live and silent auctions raised more than \$183,000!** Thank you to everyone who bought an item and to all the families and local businesses who donated unique experiences and interesting things for our guests to bid on. Our item donors are acknowledged in the attached list of donors. Please read over the list and be sure to thank them for their support when you see them and/or are visiting their business. It means a lot to them to know that their contribution made a difference – and hearing it directly from a parent at our school has an extraordinary impact.

When we create a budget for the gala, we always work to ensure that ticket revenue covers the cost of the event. This year, through the **generosity of the Moreno family and Blank Canvas Catering** (a division of the [Joseph Richard Group](#)), guests were treated to an amazing meal at a fraction of the cost. Additionally, thanks to our friends at [Pedersen’s Event Rentals](#), we were able to rent what was needed to transform the gym into a beautiful ballroom. These amazing gifts-in-kind, along with some excellent financial prudence from the gala committee, ensured that we met our budget targets.

For this reason, every sponsorship dollar goes right back to the school. This year, **sponsors generously donated \$92,350!** Thank you to each of them for their generous support. Their names are in the attached list of sponsors.

Thanks also to the many volunteers who worked tirelessly leading up to, on the night of, and on the day after the gala. The event would not have run as smoothly as it did if you had not put in long hours securing donations, creating Kids' Art projects, wrapping auction items, decorating the Senior School, greeting and registering guests, selling tickets, staying late to help with check-out and all the things in-between!

By all accounts, **"The Heart of Us" Gala was a huge success** – in fact, according to our records, it was one of the most successful galas in our school's history, **raising a remarkable \$340,000** for our students and programs. WOW!

With this result, Southridge will be able to purchase all the items on our wish-list, including:

- Grade 4 Classroom Furniture
- Alan Brown Great Hall Furniture
- Café Renovations and Equipment
- PYP Furniture

On behalf of the students and faculty at the School, we express our sincerest appreciation and know that we speak for everyone when we say how lucky we are to be part of the vibrant community that is Southridge School.

To commemorate the evening, **photos of the Gala are now on Vidigami** – you can click here to view them. The video shown at the Gala is also in Vidigami in the 'Events – Gala' section. (If you have any issues logging on, please contact Alan McInnes, Manager of Web and AV Services at 604-542-1798 or amcinn@southridge.bc.ca).

Thanks again! And don't forget to **'save the date' for next year – November 16, 2019!**

Schoology Update

Schoology will be getting a little bit of an upgrade on November 19th so your navigation might look slightly different when you log-in. The features and functionality will be the same but you will see a Card-View for your classes and groups. The menu bar will not have the Home option, but if you click the Southridge Icon, it will get you back to the news feed. The search icon has moved to the right-hand quick access toolbar along with a new quick link for your calendar.

The Schoology App will be updating later in the year – so no changes to this yet but I will let you know about them when they are available.
