

# STREET DROP-OFF AND PARKING MAP

**Please show respect by following these procedures for arrival and departure.**

Parking in the school lot or along Wilson is prohibited during arrival and departure times for the safety of all Fischer students.

All students arriving or departing by car should use the student pick-up / drop-off lane and enter the building at door #10.

Walkers should use the walkway on the north and south sides of the property. Students walking to school are not to cross the drop-off driveway, bus lane or parking lot driveway. This is important to insure the student safety of all students and, will be enforced by Conrad Fischer student Safety Patrols. All walkers enter the building at door #1.

AM Kindergarten parents may park in the lot and wait for their child outside of door #4.

Please respect the student patrols and follow their directions. They are here to help provide for the safety of all students. If you have a concern about the patrols, please direct your comments to Mrs. Bailey, not the student patrol.

Please do not arrive early to be the first in line. This causes unnecessary congestion and confusion at dismissal time.

Use caution around the school property and watch for children at all times!
