THE SCHOOL

The International School of Hamburg (ISH) is a co-educational day school enrolling students from Primary 1 (age 3) to Grade 12. It was founded in 1957 as the first international school in Germany. In 2010 the school moved to its present campus situated in a residential district approximately 30 minutes from the centre of Hamburg, and was expanded and remodeled in 2015. The school has over 740 students from more than 50 nationalities.

THE FACULTY

The school employs 107 teachers. It is an experienced faculty with about one-third having been at ISH for more than 10 years. They come from 21 different countries with most from the USA, followed by the UK and Germany. The average class size is 18.

THE STUDENTS

The student body is highly diverse with the most highly represented nations being the UK, the USA, India, Denmark, Spain, The Netherlands, and Germany. The secondary school enrolment for 2018-2019 is presently (September 2018) as follows:

Grade 12: 66 **Grade 11: 67**
Grade 10: 72 **Grade 9: 54**

ACADEMIC PROGRAMME AND CURRICULUM

The language of instruction at ISH is English. The IB Middle Years Programme is the framework for our curriculum in Grades 6 to 10. The International Baccalaureate Diploma Programme (IBDP) is offered in Grades 11 and 12. The majority of students take the full Diploma, while a small number choose the Courses (Certificates) option, both in addition to earning the ISH High School Diploma. ISH has been an IB school since the 1970s and we have an experienced faculty which includes IB examiners and workshop leaders. Both the MYP and DP are led by Coordinators who assist the faculty in ensuring the best possible delivery of subject knowledge and skills to our students.

ACCREDITATIONS

ISH is accredited by the Council of International Schools (CIS) and the New England Association of School and Colleges (NEASC). ISH is a member of the European Council of International Schools, the North-West European Council of International Schools, the Association of German International Schools, and the International Baccalaureate Organisation. Through these, ISH is affiliated with over 600 international schools worldwide.

Testing Restrictions on international students & US citizens abroad

In recent years, and particularly this year, our students have had less access to SAT/SAT Subject and ACT tests because of fewer test dates abroad, fewer sites offering the test, score cancellations, technology difficulties, and higher fees. We ask that all higher education institutions take this into account when evaluating our students' applications.

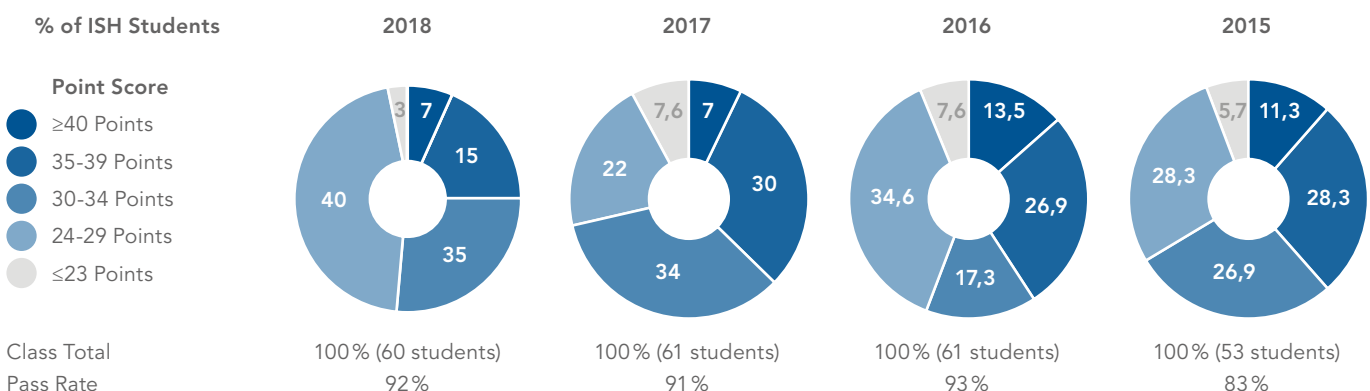

GPA AND RANKING POLICY

We do not provide class ranking. There is no appropriate ranking system that would adequately take account of the mobility of international students, many of whom have transferred from schools in countries with different grading systems. Due to the challenging and demanding nature of IB Diploma Programme courses, they are considered to be

honours-level courses, particularly the ones taken at the Higher Level. Students may obtain the IB diploma or DP courses (certificates), in addition to the ISH high school diploma. For IB diploma students, we limit the number of classes to 3 higher level and 3 standard level classes.

DISTRIBUTION OF INDIVIDUAL IBDP SCORES
