

# The Sweetest Fig

By Chris Van Allsburg

## WHY...

did the old woman come to the office?  
did she offer him figs?  
did everyone stare at the Eiffel Tower?  
did Bibot chase Marcel around the apartment?

## WHAT...

day was Marcel allowed to bark on?  
did she say the figs could do?  
kinds of things did Bibot dream of?  
do you think life will be like for Marcel & Bibot now?  
would YOU have dreamed of if you got the figs?

## WHERE...

was Bibot when he noticed he was in his underwear?  
did Marcel get the fig?  
did Bibot find himself on the last morning?

## WHEN...

did Bibot eat the first fig?  
did Marcel's dreams come true?

## HOW...

did Bibot treat Marcel?  
did Bibot try to control his dreams?  
did Marcel's dreams come true?

## WHO...

was Marcel?  
was Bibot?  
ate the second fig?
