### **Fourth Grade Long Term Substitute Teacher**

Denver Jewish Day School announces the opening of a full-time fourth grade long term substitute teaching position.

### **Denver Jewish Day School Background**

Our pluralistic Jewish community day school prepares and inspires Jewish students through an extraordinary secular and Judaic education to live purposefully, act ethically, and thrive in the world. Since its founding (with the Lower Division, then called Herzl, in 1975, and the Upper Division, then called RHMA, in 1979), Denver JDS has aimed to inspire Jewish youth to think critically about the world in which we live and prepare them for the role they will play in affecting it through a challenging curriculum, a pluralistic approach to Judaism, and a warm and caring environment steeped in Jewish values. Denver Jewish Day School is the Rocky Mountain region's only K-12 community Jewish day school, currently with approximately 65 faculty members and 335 students.
