Directory Info and Media Opt-in/Opt Out Update Form

In addition to publishing student contact information in class or district directories, our district occasionally uses photos of students, staff, and student work to highlight DCS curriculum and extracurricular activities. The venues for these showcases may include, but are not limited to, print newsletters, our website, teacher blogs, and other online media. During student registration, parents and guardians indicate their authorization for this use or decline it as part of the Student Network and Internet Acceptable Use and Safety Agreement during enrollment. **Parents may amend their image and info preferences for individual students by completing the information below and returning this form to the school office for each enrolled student.**

Student Name (please print)

Student's School/Teacher

Parent Name
