

MARK DAY SCHOOL

AN INDEPENDENT K-8 SCHOOL IN
SAN RAFAEL, CA

Innovative and full of heart, Mark Day School nurtures a love of learning by uniting a strong and engaging academic program with a kind and inclusive community.

At Mark Day School, it is fun to learn - and cool to be smart. Here, students learn and practice the intellectual, social, and emotional skills they will use to face the unique challenges and opportunities of their time. In today's interdependent world, intellectual skills are only the beginning; they must be accompanied by the

ability to communicate and create connections within and across different cultures. From our global partnerships to our nationally recognized media and information literacy program, we continually challenge students to forge their initial curiosity into something deeper and reinforce our commitment to the development of ethical, compassionate, engaged citizens of our local and global community. We look forward to speaking with you or seeing you on our campus!
