What is FAFSA?

Many students don't understand how important the acronym FAFSA is to their post-graduate education. The Free Application for Federal Student Aid or FAFSA is a form that should be completed annually by prospective college students (high school seniors) to determine their eligibility for student financial aid.

Upcoming FAFSA Submission Dates

Students are now able to complete and submit their FAFSA as early as **October 1, 2018**

Go to fafsa.ed.gov to begin your application. Submit your application as soon as possible because some financial aid is awarded on a first-come, first-served basis.

Visit The Advanced Academics Center in RM. 102 for help!
