

**SAINT PETER PUBLIC SCHOOLS  
STRATEGIC PLAN 2016-2020**

**Vision Statement: LEARNING MATTERS**

**Mission Statement: To inspire a passion for learning that encourages and enables all individuals to reach their highest potential.**

**Core Beliefs:**

We Believe:

- A system-wide culture of continuous improvement drives the work of the school district.
- All students can learn and have the right to an exceptional education.
- Safe and caring school environments are essential foundations for student learning.
- Collaboration amongst staff, parents and community members enhances the fulfillment of our mission.
- Resilience is recognized and encouraged within the school experience.

**Strategic Directions:**

In order to reach our vision, we must:

- Implement a guaranteed and relevant curriculum.
- Align resource allocation to rigorous educational goals.
- Engage in regular and on-going data/evidence collection, use and reporting to stakeholders.
- Develop critical thinkers, collaborators, communicators and problem solvers throughout the system.

**Strategic Priorities for 2018-2019:**

1. Implement, support, and report on instructional practices throughout the school district that align to site based goals centered on increasing achievement for all students. Monitor and analyze results using multiple methods including authentic assessments, capstone experiences and standardized tests.
2. Implement safety and security initiatives that continue to promote a safe and caring environment for students and staff.
3. Develop a comprehensive financial plan that provides continued short- and long-term stabilization to the school district budget and provides recommendations for future resource allocation.
4. Continued development of staff and School Board leadership capacity and characteristics that maintains and grows an innovative and supportive school district culture.
