Cider Mill Families:

November 2018

The winter holiday season provides us all with a chance to reflect on our good fortune and opportunities for sharing with less fortunate neighbors.

Cider Mill once again will provide a helping hand to Wilton families in need. Our intention is to involve as many students, parents and staff as possible in the spirit of giving for the benefit of others. Participation is strictly on a voluntary basis, of course.

From Wednesday, November 28th through Wednesday, December 12th those who wish to participate are requested to bring food and items to their classroom "baskets". Our goal is to create a wonderful family dinner and winter holiday season. Wilton's Department of Social Services has developed a list of families who will receive our baskets. Below is a list of recommended items for each family. Social Services has asked that canned goods be limited to the items listed, in order to ease the weight of the baskets. Perishables are not recommended. Gift certificates to local merchants, such as the movie theater, or ice cream shops are welcome surprises. These families, along with Wilton Social Services, are always grateful for any and all donations, and greatly appreciate the generosity of our Cider Mill family.

In addition to providing food, we have the opportunity to provide fuel for the families in need in Wilton. You can contribute to the Warm-Up Fund by making a check payable to the Wilton Community Assistive Fund. The contribution is tax deductible.

Sincerely, The Cider Mill Staff
